KRAZY KAYFABIZARRO: THE MONOMYTH MAYHEM EXPANSION

A Hero's Journey & Monomyth-Wrestling Add-On

Cut Your Trauma Into Little Pieces And Shuffle Them!

ACT I - THE WAKE UP CALL

The Ordinary World

Stasis Loop. Play this to cancel any Quest progression this turn. Narrate why nothing changes. Dysfunction isn't just a state; it's a habit. We normalize the pain until it feels like home.

[R:1] [A:1] [F:0]

Refusal of the Call

Rational Panic. Pause the Quest for one turn. All players must explain why they are too busy/tired/scared to save the world. Fear is realistic self-preservation. Change means death of the current identity. The ego fights to stay small.

[R:1] [A:0] [F:1]

The Call to Adventure

Cognitive Dissonance. Increase Quest Die by +1. Force another player to introduce a crisis that ruins their current plans. The universe doesn't knock. It throws a brick. The disruption of the status quo is not a request.

[R:3] [A:2] [F:5]

Meeting the Mentor

External Hard Drive. Draw 2 cards. Give 1 to another player. Wisdom is useless unless you give it away. The Mentor cannot go with you. They provide the map, not the legs. If they stay too long, they become a crutch.

[R:2] [A:4] [F:2]

THE THRESHOLD - CROSSING THE LINE

CROSSING THE THRESHOLD

Point of No Return
Move Quest Die +2.
Discard your hand
and draw 3 new cards.
The old self is dead.

[R:4] [A:3] [F:4]

"Commitment is the moment fear becomes movement. You can't un-take the pill."

BELLY OF THE WHALE

Digestion
All players discard 1
card. No Quest progress
this turn. Next turn,
progress is doubled.

[R:1] [A:1] [F:6]

"Liminal space. No longer who you were, not yet who you'll become. Transformation requires dissolution."

ROAD OF TRIALS

Grindset
Narrate 3 small
problems. For each
one you 'solve' in the
story, draw 1 card.

[R:3] [A:3] [F:3]

"Recovery is practice. The hero who survives the trials is not the same animal who started them."

MEETING THE GODDESS

Self-Love Bomb
Narrate a moment of
acceptance. Quest Die
+1 for every player who
nods in agreement.

[R:6] [A:6] [F:1]

"The experience of being fully seen. The internal integration of the anima. Bliss is a valid game state."

This was a
mistake.

ACT II - THE DEEP DARK

WOMAN AS TEMPTRESS

Regression Pull
Tempt another player to discard a 'Safety' card. If they do, Quest Die -1.

[R:2] [A:1] [F:4]

"The siren song of comfort. The familiar cage feels safer than the unfamiliar freedom."

ATONEMENT WITH THE FATHER

Daddy Issues
Identify an Authority Card on stage. Destroy it or Integrate it (take into hand).

[R:5] [A:2] [F:5]

"Confront the source of authority. Kill the internal 'should' to claim your own values."

APOTHEOSIS

Ego Death
Discard your Actor Marker. You are now a flonsiousness. You may intervene in any story without being present.

[R:6] [A:5] [F:6]

"The caterpillar is liquid. The butterfly is inevitable. Self-actualization is messy."

THE ULTIMATE BOON

The Elixir
Gain a permanent "Treasure" token. Use it once to auto-succeed a Quest Die roll.

[R:6] [A:6] [F:6]

"Integration of the lesson. It's not the object, it's the internal transformation externalized."

I'm HUMAN!

Help, I'm HUMAN!

ACT III - THE RETURN

REFUSAL OF THE RETURN

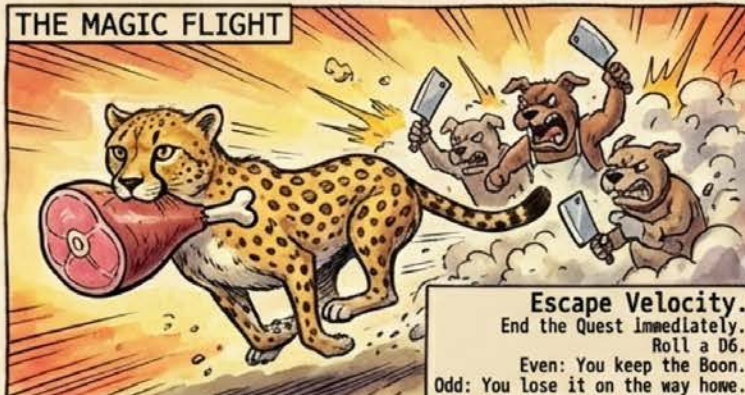

Stay in Narnia.
You may choose to end the game for your Actor here. They do not return. They stay in the magic.

[R:2] [A:1] [F:3]

"Why go back to the mundane when you've touched the transcendent? The old life feels too small."

THE MAGIC FLIGHT

Escape Velocity.
End the Quest immediately.
Roll a D6.
Even: You keep the Boon.
Odd: You lose it on the way home.

[R:5] [A:6] [F:5]

"Old patterns don't release easily. The ego will chase you to reclaim what was surrendered."

RESCUE FROM WITHOUT

Intervention.
Play this on another player who is stuck. You automatically fix their current narrative problem.

[R:3] [A:4] [F:2]

"You can't do it all alone. Community is necessary. Independence is a trauma response."

CROSSING THE RETURN THRESHOLD

Re-Entry Shock.
Draw 1 card for yourself, give 1 to a neighbor. The gift must be shared to be kept.

[R:4] [A:3] [F:4]

"The hardest stage. Can you maintain your transformation while living in the world that shaped your old self?"
