Uncle FrizzleBob's
Kayfabizarro Komik Kards
for Human Kayfabulations!

by Georg von Westphalen

KayfaBIZARRO!

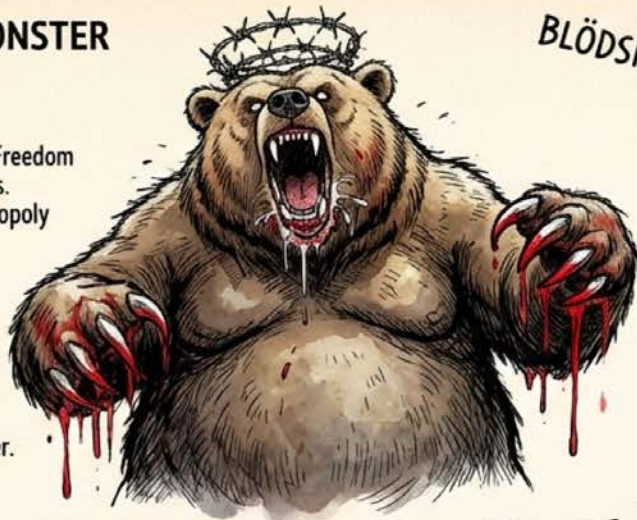

Stay fluffy!

THE COLD MONSTER (Der Staat)

POWER: Absorb 10 Freedom tokens from all players. You now hold the Monopoly on Violence.

LORE: Nietzsche was right. The state is a cold-blooded monster that only exists to maintain its own power.

BLÖDSINN!

PLURALISM SIMULATOR (Die Pluralismussimulation)

POWER: Target player wastes 2 turns arguing with themselves. Nothing changes.

LORE: Two identical parties ensure the masses can throw the rascals out without changing the policy.

BLÖDSINN!

THE PUBLIC-PRIVATE PARASITE (Korporatismus)

POWER: Merge your Bank deck with your Government deck. Evade all antitrust attacks.

LORE: Mussolini called it corporatism; the postmodern technocrats call it a Public Private Partnership.

BLÖDSINN!

THE BUREAUCRATIC LABYRINTH (Elfenbeinturm)

POWER: Play this to cancel any player's action, citing missing paperwork.

LORE: Progressive reforms from the ivory tower only serve to disempower the population that pays for them.

BLÖDSINN!

BLÖDSINN!

THE POVERTY TRAP (Armutsfalle)

POWER: Transfer 73.85% of target's assets to the player with the most wealth.

LORE: Five billion people fall into poverty while the elite double their fortunes. The Ponzi scheme works perfectly.

KayfaBONGO!

CLOUD RENT-SEEKER (Lizenz-Korsett)

POWER: You own nothing. Pay 1 token every turn just to keep your cards in your hand.

LORE: Trapped in a suffocating corset of subscriptions, streaming, and licenses for things you used to own.

KayfaBONGO!

THE INFLATION INCINERATOR (Steuern & Inflation)

POWER: Discard your hand. It's worthless now anyway.

LORE: The normal citizen battles rising taxes and energy costs, left with neither time nor money for a life of dignity.

KayfaBONGO!

THE SUSTAINABILITY SHAKEDOWN (Nachhaltigkeitskorporatismus)

POWER: Steal an opponent's resources under the guise of saving the forest.

LORE: The 148 largest corporations record 1.8 trillion in profits while lecturing you on your carbon footprint.

KayfaBONGO!
GW Georg v. Westphalen

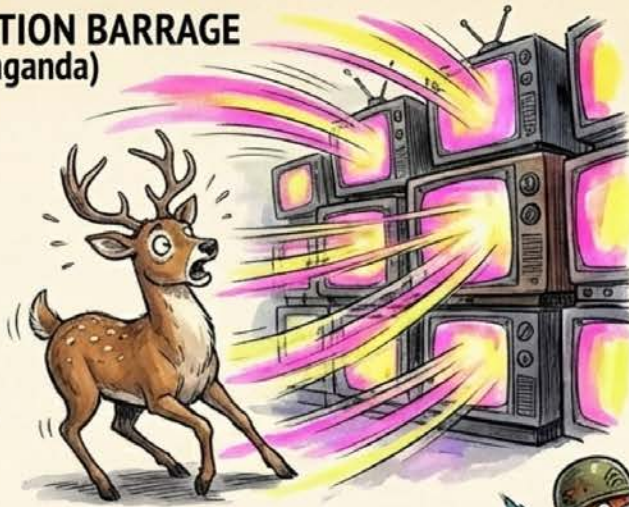

KayfaBONGO!

KayfaBONGO!

THE INFANTILIZATION BARRAGE (Multimediale Propaganda)

POWER: Target player forgets their strategy and loses 1 Intelligence token.

LORE: Continuous rapid-fire multimedia propaganda melts traditional thought patterns into compliance.

CIVILIAN PROXY-FORCE (CSDF-Programm)

POWER: Force a poorer player to fight your battles. You take the loot, they take the damage.

LORE: The rich pay, provide credibility, and the poor are sent to the front lines to die. iron bear trap.

KayfaBONGO!

KayfaBONGO!

THE TRIGGER EVENT (Auslösendes Ereignis)

POWER: Play instantly to turn any random minor action into a global crisis.

LORE: As the 1994 US Special Forces manual notes: if the situation is explosive, any historical event can be weaponized as a trigger.

What the FLUFF?!

THE SPALT-PILZ (Spaltungsprogramme)

POWER: Divide an opponent's allied cards. They now attack each other.

LORE: Sow discord, disorganization, and subversion. A divided resistance is a defeated resistance.

KayfaBONGO!

THE BIO-SECURITY DOCTRINE (Biosicherheitsdoktrin)

POWER: Lock down the board.
No one can play cards without
a Medical Compliance token.

LORE: A bloodthirsty,
postmodern rule of terror
masked as public health.

MK-MIND MELTER (Projekt MK-Ultra)

POWER: Target player
must play their hand
randomly with their
eyes closed.

LORE: In 1953, the CIA
fed thousands of
unsuspecting citizens
LSD to break the
human mind.

THE NUREMBERG GHOST (Menschenversuche)

POWER: Ignore all ethical
rules of the game for the
next 3 turns.

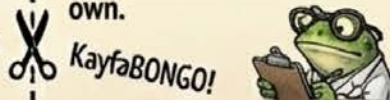

LORE: Since Robert Koch's
colonial camps, the state
has never truly stopped
treating citizens as
guinea pigs.

OPERATION WHITECOAT (Projekt Weißkittel)

POWER: Release a
pathogen. All players
discard their
highest-value card.

LORE: For 20 years, the
state tested tularemia,
typhus, yellow fever,
and anthrax on its
own.

HUMBUG!

THE SYPHILIS SYRINGE
(Tuskegee-Verbrechen)

POWER: Slowly drain 1 token from an opponent every turn. You may not tell them why.
LORE: For forty years (1932-1972), therapies were intentionally withheld from minorities for study purposes.

HUMBUG!

HUMBUG!

THE FALLOUT PIG
(Strahlenopfer)

POWER: Irradiate a zone. Any card played there is instantly destroyed.
LORE: Soldiers ordered to drive over radioactive barrels in Hanford, just to see if the trucks offered protection.

HUMBUG!

THE NERVE GAS CLOUD
(Edgewood-Experimente)

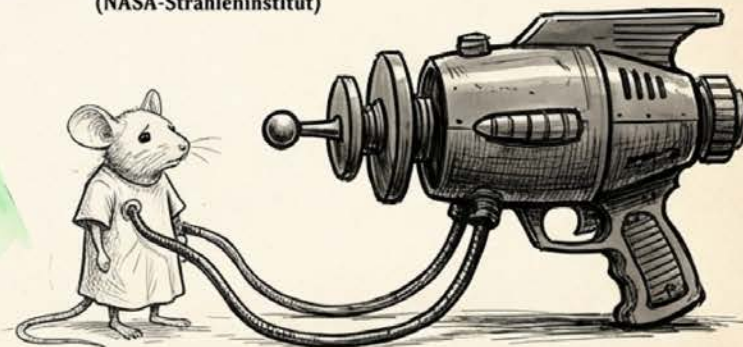

THE NERVE GAS CLOUD
(Edgewood-Experimente)

POWER: Paralyze an opponent's deck for 1 turn.
LORE: Sarin, mustard gas, and VX tested on 100,000 unwitting soldiers who thought they had bugs under their skin.

HUMBUG!

HUMBUG!

THE SPACE DOSE TEST
(NASA-Strahleninstitut)

POWER: Sacrifice a weak card to gain +5 Science Points for the Empire.
LORE: Sick children in Oak Ridge blasted with massive radiation, not to cure them, but to see how much astronauts could survive.

HUMBUG!

THE EUGENICS BOARD (Zwangssterilisation)

POWER: Target opponent cannot draw new cards for 2 turns.
LORE: From the US to Sweden to Canada, the state legally erased the futures of indigenous and undesirable women.

HUMBUG!

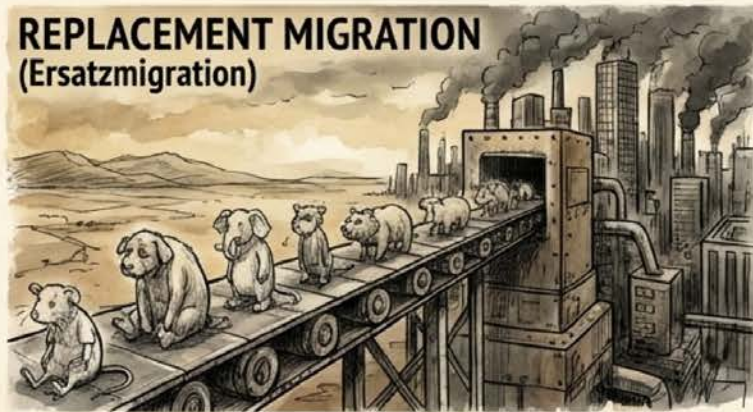

THE CLIMATE ALIBI (Bevölkerungskontrolle)

POWER: Destroy an opponent's population token. Claim it was to lower greenhouse gases.
LORE: 166 million UK pounds funded forced sterilization camps in India, justified as fighting climate change.

HUMBUG!

REPLACEMENT MIGRATION (Ersatzmigration)

POWER: Swap one of your weak cards with an opponent's strong card to balance demographics.
LORE: A UN strategy from 2000 to compensate for declining birth rates through orchestrated migration.

HUMBUG!

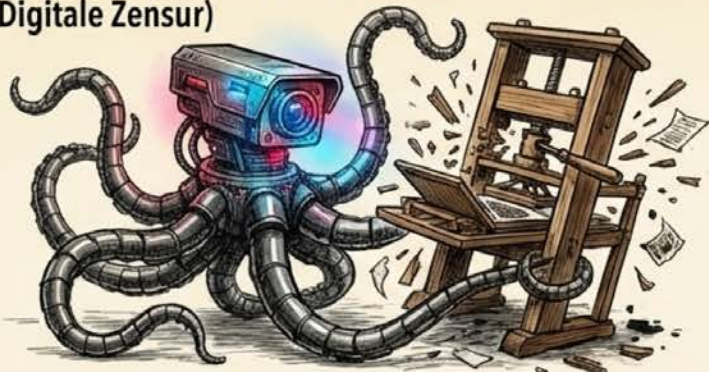

THE CULTURAL WEDGE (Kampf der Kulturen)

POWER: Incite a riot. Both you and your opponent lose 2 cards.
LORE: Migrants and citizens are both victims, pushed into violent friction by the faceless supranational empire.

HUMBUG!

THE ALGORITHM ENFORCER (Digitale Zensur)

POWER: Look at opponent's hand. Discard any card you deem disinformation.
LORE: Instead of work camps, we have algorithms silencing dissent before it can even be spoken.

HUMBUG!

HUMBUG!

HUMBUG!

THE DIGITAL ID COLLAR (Bürgerkonto)

POWER: Track an opponent. You can see their cards for the rest of the game.
LORE: Chat control, digital currency, and AI overlords converge to end freedom centimeter by centimeter.

HUMBUG!

HUMBUG!

HUMBUG!

THE SURVEILLANCE CAR (Die unbemannte Zukunft)

POWER: Your vehicles now spy on their drivers. Gain +1 Intel per turn.
LORE: By 2027, AI in your own car will permanently monitor you. The 4th industrial revolution is a physical threat.

THE NUMBED CONSUMER (Der angepasste Regenbogendemokrat)

POWER: Skip your turn. You are too busy watching streaming services.
LORE: Born, indoctrinated, exploited, and buried. Individual development is not included in this off-the-rack life plan.

THE OBEDIENCE PARADE (Polonaise der Gutgläubigen)

POWER: Force all players to play the exact same suit/faction this turn.
LORE: The masses must rally around the flag. Conformist collectivism is the ultimate goal. Critical questions equal treason.

THE BURNOUT BADGER (Der erschöpfte Widerstand)

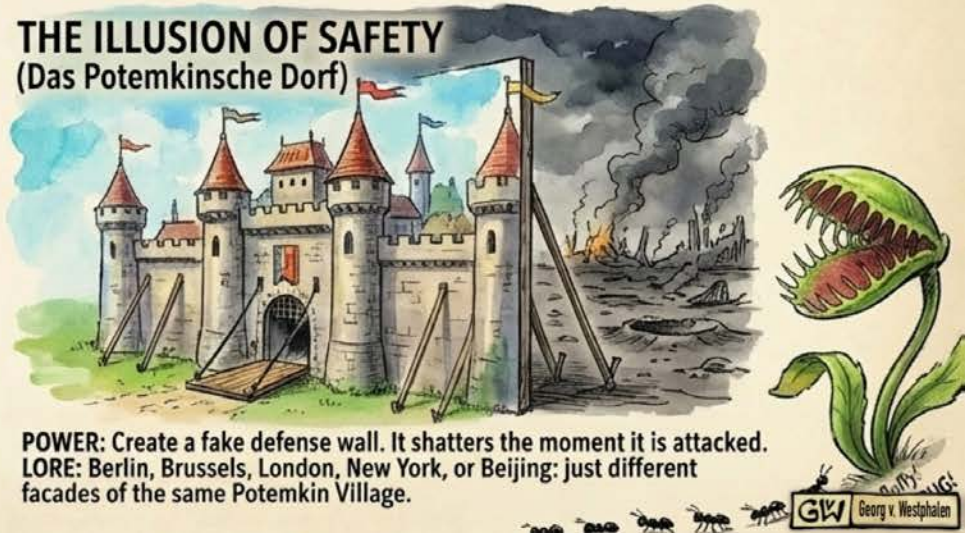

POWER: You are exhausted. Maximum hand size reduced to 3.
LORE: Exactly where the state wants the resistance: ground down, discouraged, powerless, and depressed.

THE PHARMA-FINANCIAL COMPLEX (Das Versuchskaninchen)

POWER: Pay 5 tokens to Big Pharma or lose 2 Health.
LORE: The citizen is nothing more than a guinea pig for the pharmacological-financial complex.

THE ILLUSION OF SAFETY (Das Potemkinsche Dorf)

POWER: Create a fake defense wall. It shatters the moment it is attacked.
LORE: Berlin, Brussels, London, New York, or Beijing: just different facades of the same Potemkin Village.

THE BANKING CARTEL (Die supranationale Elite)

POWER: You control the money supply. Change the cost of any card in play.
LORE: Global Governance is controlled by the same cartels and families that have dictated history for generations.

THE SMILING DESPOT (Die Regenbogen-Tyrannie)

POWER: Attack an opponent, but gain +5 Public Relations points.
LORE: Heads are no longer chopped off, but washed. Postmodern tyranny just hides behind a rainbow pluralism simulation.

THE ELITE PHILANTHROPIST (Der Wohltäter)

POWER: Give an opponent 1 token, then steal 5.
LORE: Philanthropy is the ultimate mask for extracting global wealth and implementing population control.

THE CRISIS ARCHITECT (Der Hegemon)

POWER: Start a proxy war on the board. All other players must discard their hands.
LORE: The Pax Americana is enforced at all costs, discarding laws, morals, and collateral damage.

THE TIPPING POINT (Zenit überschritten)

POWER: If the ruling player has 10x the wealth of the poorest, trigger a board wipe.
LORE: Every empire falls. History teaches us that grotesque excesses of power eventually choke on the power of the many.

THE MISTGABEL MOB (Die Aufstände)

POWER: All poor players unite their attack power against the wealthiest player.
LORE: It is always the same civilizational process. First the bureaucracy, then the police state, then the pitchforks.

THE GRAND AWAKENING (Schmierenskomödie entlarvt)

POWER: Reveal all hidden cards. Cancel all active Psy-Ops.
LORE: Eventually, even the most conformist statist realizes the politico-media farce has nothing to do with their actual reality.

THE SYSTEMIC ROT (Entdifferenzierung)

POWER: The rules of the game slowly break down. Players can ignore 1 rule per turn.
LORE: A phase of freedom is followed by institutional decay, corruption, and obscenities.

Stay fluffy!

THE WEAPON OF HUMOR (Das Patentrezept)

POWER: Laugh at an attack. Negate all damage and draw a card.
LORE: Humor is the universal remedy to wring a fulfilled life out of dark times. A free life.

THE SELF-SOVEREIGN (Selbstbewusstes Individuum)

POWER: You are immune to Propaganda and Psy-Op cards.
LORE: Self-determined individuals have the mental capacity to see right through the political-financial Ponzi scheme.

Stay fluffy!

Staya fluffy!

THE UTOPIA ARCHITECT (Eigene Narrative)

POWER: Change the win condition of the game for all players.
LORE: Being against something is easy. We need stories of a freely organized future to inspire the next generation.

THE FREE WILL ANOMALY (Bewahrung des freien Willens)

POWER: You cannot be forced to skip a turn or discard cards by opponent effects.
LORE: We fight not just for freedom of speech, but for the preservation of human free will against the Monster.

Staya fluffy!

RULES OF ENGAGEMENT (Spielregeln)

MECHANIC: Shuffle these 52 Kayfabe Kards into the main Kult Klub deck. Trust no one.
LORE: Because even anarchy needs a layout.

EPISTEMIC SABOTAGE (Regelbruch)

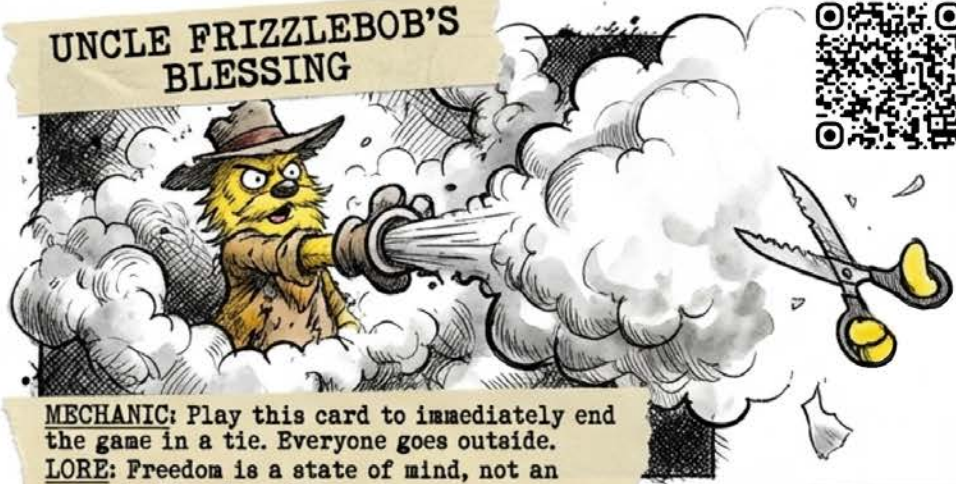

MECHANIC: If a rule on these cards contradicts the main game, this card wins. The State always cheats.
LORE: Everything is upside down. Doctors destroy health, governments destroy freedom.

THE BLANK SLATE (Mach es selbst!)

POWER: [BLANK SPACE FOR PLAYER TO INVENT THEIR OWN POWER]
LORE: [BLANK SPACE FOR PLAYER TO WRITE THEIR OWN LORE]

UNCLE FRIZZLEBOB'S BLESSING

MECHANIC: Play this card to immediately end the game in a tie. Everyone goes outside.
LORE: Freedom is a state of mind, not an organizational problem.
