## GILGAMESH "THE KING"

[R:5]

[A:2]

[F:6]

**Prima Nocta:** Take one card from an opponent. If it's shiny, keep it.

Two-thirds god, one-third jerk. He rings the city bell just to wake people up. The original toxic bachelor.

## ENKIDU "THE BEAST"

[R:3]

[A:6]

[F:1]

**Wild Card:** Cancels "Civilization" effects. Bonus damage if fighting alongside Gilgamesh.

Created from clay to humble the champ. Knows the woods, the animals, and exactly how hard to punch a god.

## URUK "THE ARENA"

[R:6]

[A:1]

[F:4]

**Home Field Advantage:** +2 Defense. Look at the brickwork—it's burnt brick, not sun-dried!

The Absurdly Cool City. Three leagues of copper walls. Smells like oppression and cedar.

## THE 12 TABLES

[R:6]

[A:4]

[F:2]

**The Script:** Rewrite the ending of the current turn.

The oldest story ever sold. Warning: Contains missing fragments, plot holes, and a baffling Gaius Julius Caesar.

## SHAMHAT "THE VALET"

[R:4] [A:2] [F:5]

**Civilize:** Turn a 'Beast' card into a 'Sidekick' card. Takes 7 days (turns).

Used "love arts" to weaken Enkidu's knees and boost his IQ. The original influencers were temple priestesses.

## NINSUN "THE MOMAGER"

[R:2] [A:1] [F:6]

**Dream Interpretation:** Look at top 3 cards. Reorder them to favor your son.

Gilgamesh's mom. She adopts Enkidu because her biological son is a handful. Always reads the spoilers.

## ENLIL "THE BOOKER"

[R:1] [A:6] [F:3]

**Noise Complaint:** Wipe the board (Flood). He can't sleep because humans are too loud.

A Jerkass God. Tried to delete humanity for being too noisy. Even other gods think he goes too far.

BLÖDSINN!

## SHAMASH "THE REF"

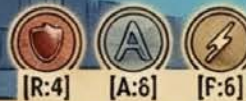

[R:3] [A:3] [F:5]

**Divine Intervention:** Bind a monster with 13 winds so the hero can land a cheap shot.

The Sun God. He hands out Cheat Codes (Axes, Swords) to Gilgamesh because he loves

## ISHTAR "THE DIVA"

**Yandere Tantrum:** If rejected, summon a 'Bull of Heaven' or a 'Zombie Apocalypse'.

Goddess of Love and War. Don't date her. Ask her ex-boyfriends (who are now wolves and frogs).

## THE ROAST (RADISH CURE)

**Vicious Mockery:** Inflict emotional damage. Force Ishtar to run to her daddy (Anu).

A brutal verbal beatdown citing every ex-lover she destroyed. The first recorded 'Diss Track'.

## BULL OF HEAVEN "GUGALANA"

**Drought:** Dries up the river. Opens sinkholes that swallow 200 men.

Ishtar borrowed her sister's husband to wreck the city. A weapon of mass destruction with horns.

## THE HAUNCH THROW

**Did You Just Flip Off Cthulhu?:** Instant respect. Instant death sentence.

The ultimate Badass Boast. Enkidu taunts a goddess with beef. This will not e

# THE CEDAR FOREST

[R:6] [A:2] [F:3]

**Sacred Ground:** Trespassers must roll for intimidation.

A pristine nature reserve until two bros decided they needed lumber and glory. "Going to see the Elephant".

# HUMBABA "THE JOBBER"

[R:2] [A:5] [F:5]

**7 Auras:** Remove one aura per turn to make him vulnerable.

Guardian of the forest. His face looks like entrails. He begged for mercy, but the script said "die".

# THE 13 WINDS

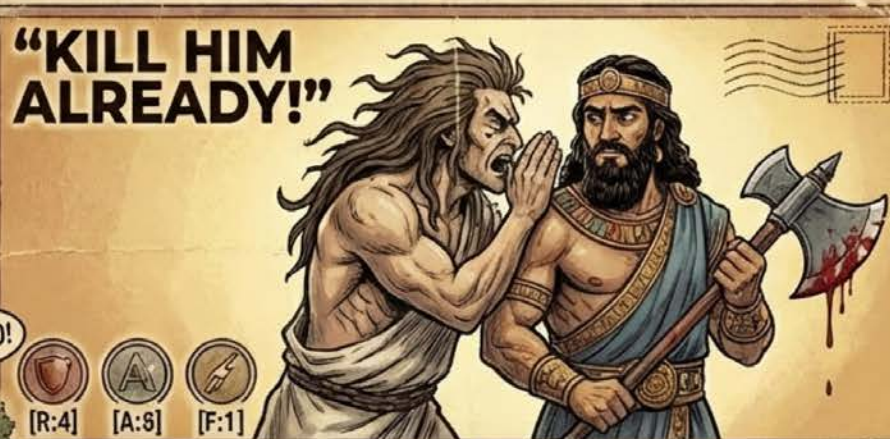

[R:1] [A:4] [F:6]

**Deus Ex Machina:** Shamash immobilizes the boss so you can hit it.

It's not a fair fight if the Sun God blinds your opponent with tornadoes. Total rig job.

KayfaBONGO!

# "KILL HIM ALREADY!"

[R:4] [A:5] [F:1]

**Peer Pressure:** Execute the target immediately. Gain Loot.

Gilgamesh hesitated. Enkidu didn't. "If you let him go, he'll just come back for the annual"

## 120lb DAGGERS (BFS)

[R:3] [A:5] [F:4]

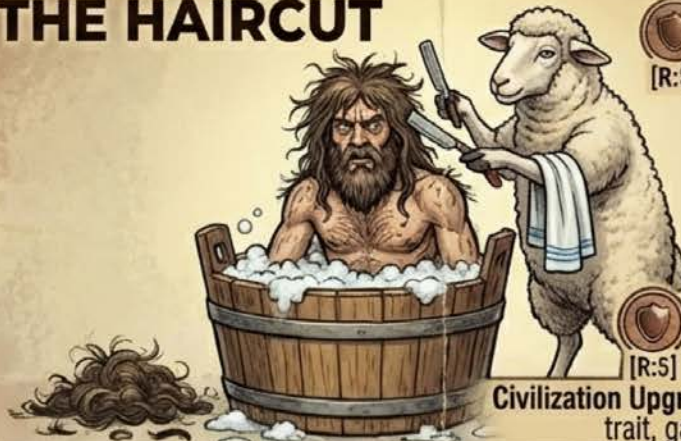

**Dual Wielding:** Attack twice.  
Requires Strength 60.

Gold daggers weighing 4 talents each. Anime swords existed in 2100 BCE.

## THE HAIRCUT

[R:5] [A:1] [F:3]

[R:5] [A:1] [F:3]

**Civilization Upgrade:** Lose 'Wild' trait, gain 'Depression'.

The barber of Uruk transforms the beast. Now he can drink beer and wear uncomfortable clothes.

## DOOR BUILDING

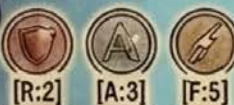

[R:6] [A:1] [F:2]

**Craftsmanship:** Construct a tribute to Enlil (who still hates you).

They killed the guardian, stole the wood, and made a door for the god who hired the guardian. Mixed messages.

## THE SHARED DREAM

[R:2] [A:3] [F:5]

**Foreshadowing:** Predict the next Trap card.

Every night, a new nightmare. Enkidu spins it as 'Reverse Psychology' for success. He was wrong.

## THE COUNCIL'S VOTE

[R:1] [A:6] [F:1]

**Executive Decision:** Kill one hero.  
(They chose Enkidu because Gilgamesh is the franchise star).

Someone has to pay for the Bull. It can't be the King. Sorry, Enkidu,

## SOAP OPERA DISEASE

[R:4] [A:2] [F:5]

**Wasting Away:** Loses 1 HP  
per day for 12 days.

A mysterious divine illness. The slow agony of realizing you were just a plot device.

## THE MAGGOT

[R:6] [A:5] [F:0]

**Reality Check:** Gilgamesh gains 'Mortality Phobia'.

Gilgamesh refused to bury him for 7 days until... well, until nature happened. Grief is messy.

## THE GOLDEN STATUE

[R:3] [A:1] [F:6]

**Merchandising:** Gain prestige, but lose your best friend.

The funeral was lavish. The grief was loud. The statue is solid gold. It doesn't help.

[R:5] [A:4] [F:2]

[R:5] [A:4] [F:2]

# MORTALITY PHOBIA

[R:5] [A:6] [F:1]

[R:6] [A:2] [F:1]

**Panic:** Run to the end of the world. Do not stop for side quests.

"Am I not like him? Must I lie down too?" The first recorded existential crisis.

# THE STEPPE

[R:5] [A:2] [F:1]

KayfaBOGGLE!

**Wander:** Discard your hand to draw new cards from the 'Unknown' deck.

Roaming the wilderness eating raw meat. It's not a vacation; it's a trauma response.

# MAYFLY PHILOSOPHY

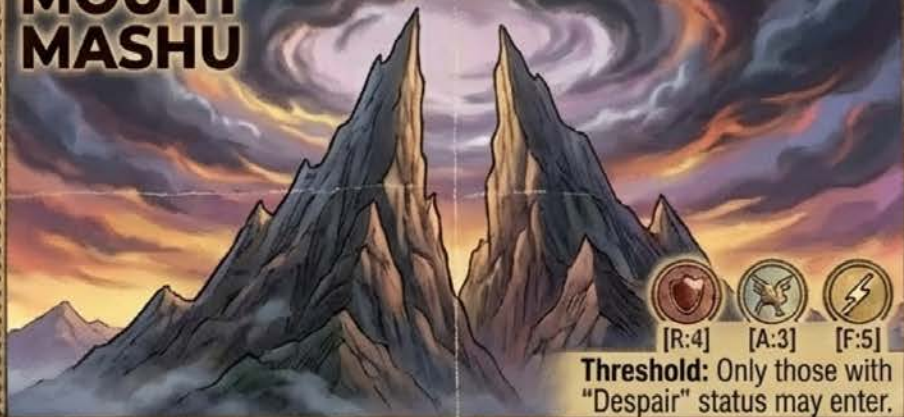

[R:6] [A:1] [F:4]

**Nihilism:** Negate all 'Glory' points.

"Man is snapped off like a reed in the canebrake." We are here, then we are gone.

# MOUNT MASHU

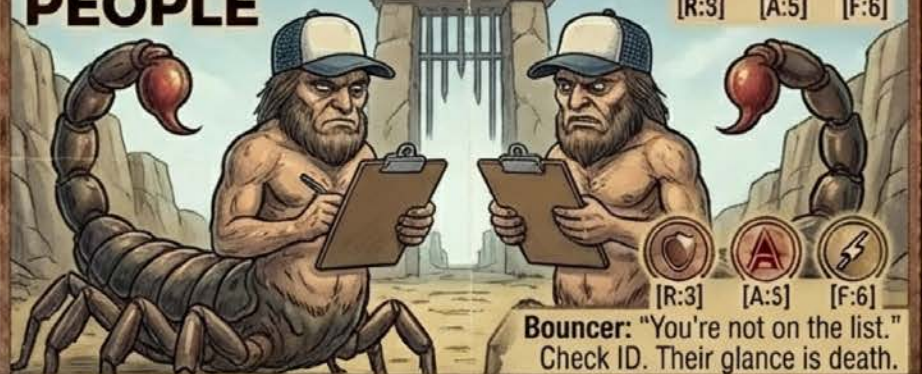

[R:4] [A:3] [F:5]

**Threshold:** Only those with "Despair" status may enter.

The gate where the sun rises and sets. The VIP entrance to the God Realm.

# SCORPION PEOPLE

[R:3] [A:5] [F:6]

[R:3] [A:5] [F:6]

**Bouncer:** "You're not on the list." Check ID. Their glance is death.

But they are actually pretty chill once you explain you're grieving.

# THE SUN TUNNEL

[R:2] [A:5] [F:4]

**Speed Run:** Roll dice. If you fail, the Sun catches you. Outrun the Fireball!

12 leagues of total darkness. He has to race the Sun God's commute.

KayfaBIZARRO!

# GARDEN OF GEMS

[R:1] [A:2] [F:6]

**Shiny Distraction:** Skip a turn to stare at the bling.

After the darkness, a trippy crystal forest. Siduri lives near here.

## SIDURI "THE BARMAID"

[R:5] [A:2] [F:4]

[R:5] [A:2] [F:4]

**Real Talk:** "Fill your belly. Dance and play." Heals 10 HP.

The tavern at the end of the universe. She gives the best advice in the book: Carpe Diem. Gilgamesh ignores it.

## URSHANABI "THE FERRYMAN"

[R:4] [A:1] [F:3]

[R:4] [A:1] [F:3]

**Transport:** Cross the Waters of Death.

He runs the taxi service to the immortal. Gets fired for bringing a smelly tourist along.

## THE STONE THINGS

[R:1] [A:5] [F:6]

**Applied Phlebotinum:** Safe passage. If broken, game over.

Nobody knows what they are. Gilgamesh smashed them in a tantrum. Nice job breaking it, Hero.

KayfaBIZARO!

## 120 PUNTING POLES

[R:3] [A:3] [F:2]

**Disposable Tools:** Use once, then throw away.

Since he broke the engine (Stone Things), he has to push the boat. Can't touch the water.

Don't touch!

## UTNAPISHTIM "THE FARAWAY"

[R:5] [A:1] [F:5]

[R:4] [A:2] [F:4]

**Immortality:** Cannot be killed.  
Bored by your problems.

The only human to retire from the game. He survived the Flood. Tired of visitors.

## THE GREAT FLOOD

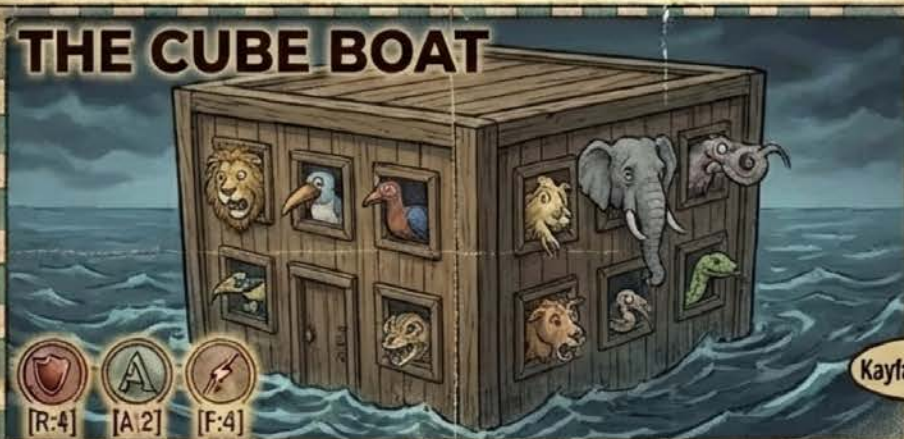

[R:6] [A:6] [F:3]

[R:6] [A:5] [F:3]

**Reset Button:** Destroy  
all Civilization cards.

The gods flooded the earth because they couldn't sleep. The original "Noah's Ark" story (but with a cube).

## THE CUBE BOAT

[R:4] [A:2] [F:4]

**Preserver of Life:** Survive the wipe.

It wasn't a boat shape. It was a giant watertight box. Loaded with gold, family, and beasts.

KayfaBONGO!

## THE SLEEP CHALLENGE

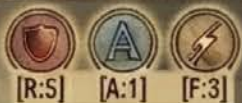

[R:3] [A:2] [F:6]

**Fail State:** If you can't conquer Sleep, you can't conquer Death.

Gilgamesh tries to stay awake for 7 days. Passes out immediately. A humiliating defeat.

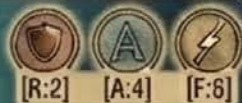

## THE MOLDY LOAVES

**Power: Evidence:** Prove the player was asleep/AFK.

Utnapishtim's wife baked one loaf for every day he slept. You can't argue with mold.

## THE PLANT OF HEARTBEAT

**Power: Rejuvenation:** Restores youth (does not grant immortality).

Deep under the Apsu. Prick your hands to get it. Gilgamesh wants to test it on old men first. Too clever by half.

## THE BATHING SPOT

**Power: Vulnerability:** Leave your inventory unguarded.

One moment of inattention. That's all it takes.

## THE SERPENT

**Power: The Theft:** Steal the winning item. Gain 'New Skin'.

The Snake eats the plant and becomes young again. The true winner of the Epic. Diabolus in Machina.

KayfaBONGO!

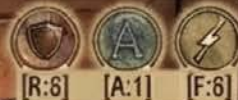

## RETURN TO URUK

**Power: Bookends:** The story ends where it began.

He didn't bring the plant, but he brought the story. "Go up, Urshanabi, walk on the walls of Uruk."

## THE BRICKWORK

**Power: Infrastructure:** Build something that lasts longer than meat.

Immortality isn't living forever; it's building a city that people still talk about 4,000 years later.

## THE SECRET BOX

**Power: The Text:** Publish your autobiography.

Gilgamesh wrote his own legend. He lost the wrestling match with Death, but won the PR war.

Stay Fluffy!

## THE MORAL

**Power: Wisdom:** Swap 'Arrogance' for 'Acceptance'.

Life is short. Eat good food, love your family, wear clean clothes. Death is inevitable.

## TABLET XII "THE RETCON"

**Power: Continuity Error:**  
Enkidu is alive again?

An incoherent appendix where Enkidu is a servant, not a friend. A 'Gainax Ending' that makes no sense.

## PUKKU AND MIKKU

**Power: Lost Toys:** Drop items  
into the Netherworld.

Gilgamesh loses his toys. Enkidu goes to fetch them. The plot of Tablet XII is... weird.

## RULES OF THE DEAD

**Power: Don't Do It:** If you wear clean clothes, the dead will attack you.  
Too Dumb to Live. Gilgamesh gave specific stealth instructions. Enkidu ignored all of them.

## THE GHOST

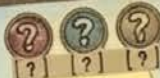

**Power: Final Goodbye:** A bleak Q&A session about rotting corpses.  
'Tell me the order of the Netherworld.' You don't want to know. It's mostly dust and
