The Bedside BaLlet: Human Interaction

The heart is the hardest organ
to treat. Stay fluffy!

Low-Stool-Llama

Eye-Level Presence

STAT: Trust-Stat +50%
Perception of time spent +300%

POWER: The Level-Setter. Refuses to stand, dissolving the Authority-Wall.
LORE: Decreases perceived power imbalance. Sitting signals you have nowhere else to be, even if you only have 2 minutes.

Echo-the-Parrot

Active Listening

STAT: Misunderstanding-Glitches reduced by 40%

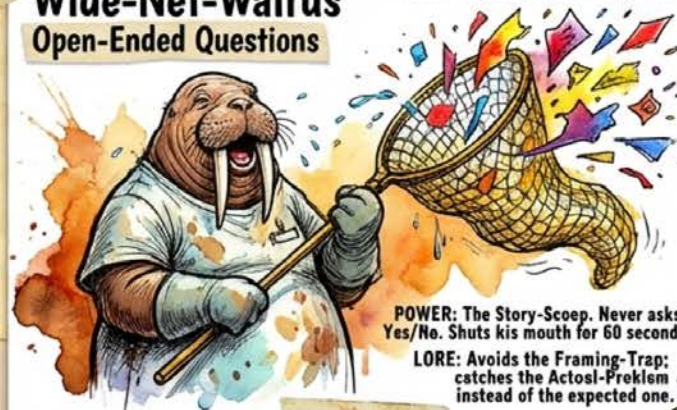

POWER: The Validation-Loop. Repeats the last 3 words of the wrestler's sentence.
LORE: Proves signal received; encourages the patient's Initial-Sprint without interruption.

Wide-Net-Walrus

Open-Ended Questions

STAT: Diagnostic accuracy +25%

POWER: The Story-Scoop. Never asks Yes/No. Shuts his mouth for 60 seconds.
LORE: Avoids the Framing-Trap; catches the Actosil-Preklem instead of the expected one.

Name-it-Nightingale

Emotional Labeling

STAT: Patient Cortisol-Drop 20%
Amygdala-Calm

POWER: The Storm-Soother. Doesn't fix the problem; names the feeling.
LORE: Affect Labeling effect. Naming a Vague: Emotion moves activity from the Fear-Center to the Logic-Center.

Pre-Contemplation to Action

Spikes-the-Porcupine

Breaking Bad News

STAT: Retained info +40%
(SPIKES Protocol)

POWER: The Quill-Retract. Delivers Heavy-Truth in slow, checked pieces.
LORE: Information Titration. Dumping Malignant-Max news all at once shuts down the Brain-Bunker.

Zen-Panda-Prime

De-escalation

STAT: Security-Summons -60%

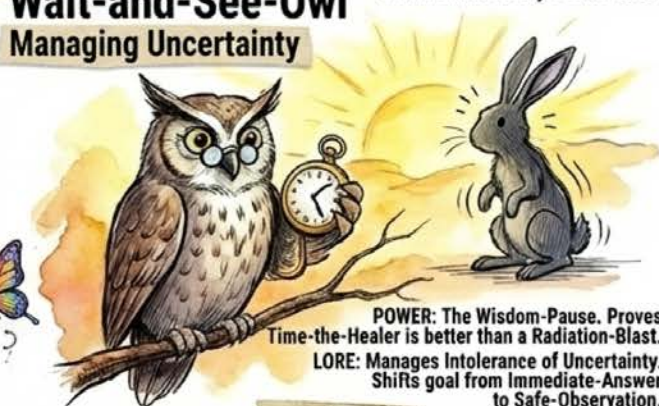

POWER: The Calm-Gravity. Absorbs Rage-Rhythm without mirroring it.
LORE: Parasympathetic mirroring. If the Strategist stays in Recovery-Mode, the Aggressor down-regulates to match.

Wait-and-See-Owl

Managing Uncertainty

STAT: Unnecessary-Scans -30%

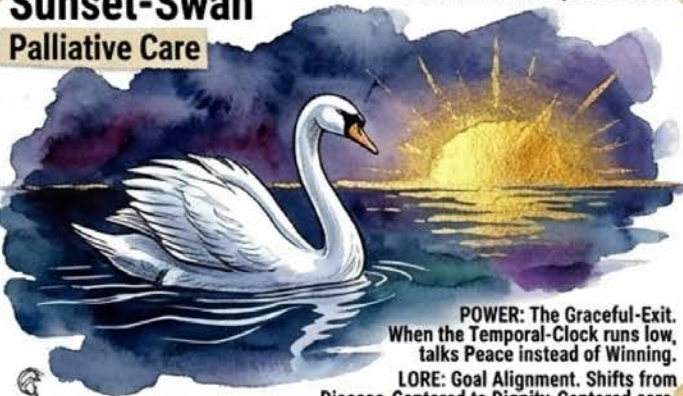

POWER: The Wisdom-Pause. Proves Time-the-Healer is better than a Radiation-Blast.
LORE: Manages Intolerance of Uncertainty. Shifts goal from Immediate-Answer to Safe-Observation.

Sunset-Swan

Palliative Care

STAT: Final-Round QoL scores UP

POWER: The Graceful-Exit. When the Temporal-Clock runs low, talks Peace instead of Winning.
LORE: Goal Alignment. Shifts from Disease-Centered to Dignity-Centered care.

Jargon-Jungle-Jaguar

STAT: Patient understanding drops <10%

POWER: The Language-Labyrinth. Speaks in confusing High-Linguistics code.

LORE: The Curse of Knowledge. Leaves wrestlers in a Case-Confusion, unable to follow the Playbook.

Alpha-Lion-Lord

STAT: High Immediate-Action / Zero Patient-Autonomy

POWER: The Dictator-Roar. Givess Orders, not Choices. Treats wrestler like a Servant-Reekie.

LORE: Dominance-based care ignores personal values, breeding Internal-Resentment.

Door-Handle-Dingo

STAT: Misses the Oh-By-The-Way concern

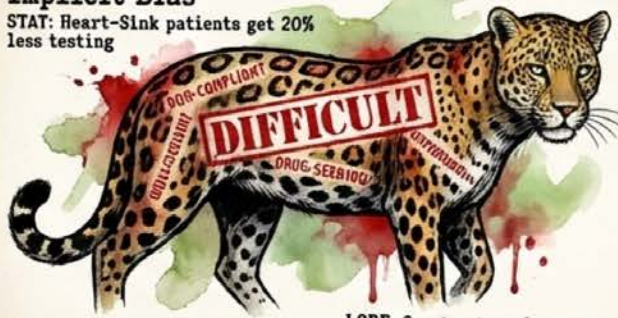

POWER: The Time-Theft. Stands ready to exit, applying Urgency-Pressure.

LORE: Non-verbal Shut-Down signal. Tklis the wrestler their Story-Tokens are not worth the Doctor's-Time.

Label-the-Leopard

STAT: Heart-Sink patients get 20% less testing

POWER: The Pattern-Leck. Labels patient Drug-Seeking, shutting down the Differential-Engine.

LORE: Counter-transference. Onr own Frustration-Sparks hide the Real-Antagonist behind a Behavioral-Mask.

HUMBUG!

Gatekeeper-Gorilla

The Overbearing Relative

STAT: Patient speaks 80% less

POWER: The Narrative-Block. Answers every question, hiding the Wrestler's-True-Signal.

LORE: Proxy-interference; requires Sideloading the Gorilla to hear the true patient narrative.

Honest-Hummingbird

Admitting Uncertainty

STAT: Increases patient trust +40%

POWER: The I-Don't-Know Move. Admits missing Name-Tags for the enemy.

LORE: Vulnerability-Credibility; Trust-Armor protects the partnership when tests come back negative.

Bridge-the-Beaver

The Translator

STAT: Critical for Language-Barrier matches

POWER: The Cultural-Cabling. Translates meaning and Lore, not just the Vocal-Swap.

LORE: 10x safer than Family-Member-Funnels; beats the Lost-in-Translation-Glitch.

Teach-Back-Toucan

Checking Understanding

STAT: 90% correct recall of instructions

POWER: The Echo-Check. Asks patient to explain the Pill-Move back to them.

LORE: Closes the loop; shifts responsibility from the Wrestler's-Memory to the Strategist's-Explanation.

Autonomy-the-Eagle
Patient Rights

STAT: Right to refuse Lethal-Matches

POWER: The Sovereign-Flight. Wrestler has Final-Say over their Body-Arena.

LORE: Core of medical ethics; the Wrestler owns the Ring, even if the Doctor disagrees.

Benefic-the-Bear
Beneficence

POWER: The Protective-Hug. Always acts to increase Health-Tokens.

STAT: Do what is best for the wrestler

LORE: Duty to act in patient's interest; the primal Healer-impulse.

Justice-the-Giraffe
Distributive Justice

STAT: Equal Resource-Tokens for all

POWER: The Fair-Scan. Defeats Hierarchy-Walls so the Poor-Wrestler gets the MRI-High-Tech.

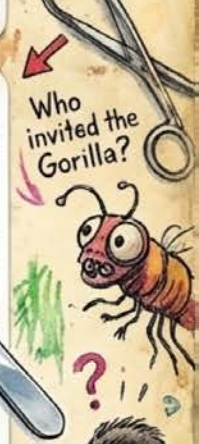

LORE: Ensures Arena-Resources are shared fairly across the entire Social-Map.

Malefic-the-Mongoose
Non-maleficence

STAT: First, Do No Harm

POWER: The Venom-Block. Stops Aggressive-Surgical-Strikes if Risk > Cure.

LORE: Primum non nocere; the primary Safety-Brake of the medical mind.

The Human Attending (Doc FrizzleBob) Master of the Bedside Ballet

STAT: Empathy-
Orchestrator

POWER: The Soul-Connector.

LORE: Put down the clipboard, look them in the eye. They aren't a Case, they are a Wrestler. Stay fluffy!

Synthesis Quest 2: The Rage-Riot

Zen-Panda-Prime

Name-it-Nightingale

Family-Member-Fighter is screaming in the hall. Use Panda to drain Rage-Sparks, then deploy Nightingale to label the emotion and restore Arena-Peace.

Synthesis Quest 1: The Jargon-Daze

Jargon-Jungle-Jaguar

Simple-Speech-Sloth

Teach-Back-Toucan

Silver-Wrestler nods but hasn't filled his Pill-Scroll. Defeat the Jaguar's jargon with the Sloth, then deploy the Toucan's Echo-Check to fix the Compliance-Lag.

Synthesis Quest 3: The Final-Bell

Sunset-Swan

Spikes-the-Porcupine

Max-Malignant has won. The Wrestler wants to go home to the garden. Use Swan to shift Goal-Posts to dignity, use Porcupine to deliver truth with grace.

Stay fluffy! And watch the heart!
