

THE GREAT OCTOPUS WRESTLING MATCH!

Cut these out, tape 'em together, and bow to your new corporate overlords!

Uncle FrizzleBob's Kayfabizarro Expansion

POWER: Play this card to completely ignore the rules of the base game.

LORE: The illusion of choice is a carefully constructed farce. Welcome to the Geopolitical Shadow Monopoly.

~~THE GREAT OCTOPUS~~

The Octopus Analogy

POWER: Bind 4 of your opponent's cards. They belong to you now.

LORE: A single hidden head controlling economic tentacles gripping the globe. Less than a handful of mega-corporations own your morning coffee and your digital soul.

KayfaBIZARRO!

Uncle FrizzleBob

POWER: Epistemic Sabotage! Shuffle the discard pile into the government's tax returns.

LORE: The solo host of the deep dive. Armed with a sketchbook, cut-and-paste logic, and absolute layout anarchy.

The Power Plumbing

POWER: Drain \$20 Trillion from the board by 2028.

LORE: The ultimate consolidating pyramidal network. All profits flow upward to the 0.001%.

THE ILLUSION OF CHOICE (AISLE 4)

Pick a color, they both taste like consolidated profit margins!

THE CRIMSON COLA BEAR

POWER: Coordinated Duopoly. If your opponent plays Sugar Water Blue, neither of you attack. Both players just extract cash from the audience.

LORE: You think it's a cola war? Vanguard, BlackRock, and State Street own the top shares of both. It's brand theater while the profits flow to the exact same owners.

BLÖDSINN!

BLÖDSINN!

THE AZURE PEPSI HOUND

POWER: Market Cannibalization Immunity. Ignore all price-drop damage.

LORE: 73% owned by institutional investors. They don't fight for market share; they manage a firewall against real disruption.

THE PROCESSED TROUGH

POWER: Absorb all independent food brands on the table. Gain +10 Girth.

LORE: Unilever, Mondelez, Nestle. They own every brand in your pantry. Competition in the food aisle is a carefully engineered stage play.

THE BAYER-SANTO LOCUST

POWER: Patent the dirt. Opponents must pay a royalty to draw a card.

LORE: They own 90% of the world's cotton seed. They control the raw materials, the distribution, and the soil itself. Vertical integration from dirt to retail.

UNCLE FRIZZLEBOB'S CONSUMER NIGHTMARE!

CUT & OBEY!

NO HUMANS, ONLY CONSUMERS!

THE INFRASTRUCTURE OF MODERN LIFE

They own the product, and the screen you use to complain about it!

THE META-IGUANA

POWER: Algorithmic Enclosure. Look at your opponent's hand and sell the information to the highest bidder.

LORE: Over 80% owned by institutional investors. It's not a social square; it's a data-extraction farm owned by the exact same firms dominating the food industry.

UNCLE FRIZZLEBOB'S
DIGITAL
DYSTOPIA!

THE APPLE-SNAKE

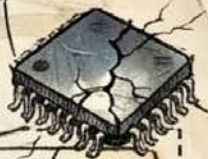

POWER: Walled Garden. No external cards can affect this entity.

LORE: The ultimate premium enclosure. Owned by the Big Four. A glittering cage built to keep alternative ecosystems from ever rising up.

THE GOOGLE-OWL

What the
FLUFF?!

POWER: Search Monopoly. You decide which cards your opponent is allowed to find in their deck.

LORE: They run the operating systems and the servers. The same whales that feed you the snacks control the software that runs your life.

CUT & PLAY!

THE MICRO-SOFT MOTH

POWER: Forced Update. Your opponent skips a turn while their deck restarts.

LORE: From operating systems to cloud infrastructure, the backend of the world is just another asset in the institutional portfolio.

CUT &

NO HUMANS,
ONLY DATA POINTS!

THE ILLUSION OF TRAVEL

No matter where you fly, your money lands in the same account!

THE AIR-BED-BUG

POWER: Gentrification Strike. Replace an opponent's property card with an overpriced short-term rental.

LORE: Booking.com or Airbnb—doesn't matter. The same handful of financial entities form the economic foundation of your lodging.

THE BOEING ALBATROSS

POWER: Regulatory Capture. Ignore all safety checks. If you roll a 1, discard your hand in a fiery crash.

LORE: Boeing or Airbus? Doesn't matter. Their largest shareholders are overlapping investment funds. They own the skies.

THE SKY-SCANNER HAWK

POWER: Surge Pricing. Double the cost of all actions this turn.

LORE: You think you're hunting for a deal? Expedia and Skyscanner are ultimately major holdings of the exact same core institutional groups.

THE TRIP-ADVISOR TOAD

POWER: Astroturf. Create 5 fake review tokens to overwhelm the board.

LORE: The feedback loop is closed. The same owners control the planes, the beds, and the platform where you complain about them.

CUT & PLAY!

NO HUMANS, ONLY DATA POINTS!

UNCLE FRIZZLEBOB'S DIGITAL DYSTOPIA!

THE ROOTS OF THE OCTOPUS

They don't just own the factory; they own the dirt it's built on!

THE OIL-SQUID

POWER: Primary Extraction. Take resources directly from your opponent's reserve before their turn starts.

LORE: The jet fuel for the planes comes from their oil companies. The monopoly extends backward into the raw earth itself.

THE MINING MOLE

POWER: Strip Mine. Destroy one of your own cards to draw three new ones.

LORE: The steel for the aircraft comes from their mining companies. They are the largest shareholders in the world's raw materials.

THE TEXTILE TARANTULA

← **BARCODE WEB!**

POWER: Fast Fashion Web. Snare an opponent in cheap goods. They skip a turn.

LORE: From the cotton seeds to the sweatshops to the department stores. It's a vertically integrated web of unprecedented scale.

← **BARCODE WEB!**

THE PHARMA-VIPER

← **PILL PUSHER!**

POWER: Chronic Dependency. Opponent must pay you 1 token every turn just to keep their cards alive.

LORE: The institutional whales own the 16 largest global pharmaceutical companies. They don't want you cured; they want you subscribed.

DIGITAL DYSTOPIA!

THE INVISIBLE TIP OF THE PYRAMID

Who owns the owners? Welcome to Ownership Inception!

THE BLACKROCK VULTURE

POWER: The Fourth Arm. in Architects Daughter. Override a government rule card. You "are" the government now.

LORE: Managing trillions, advising central banks, and writing the financial software the world runs on. The undisputed titan of the pyramid.

THE VANGUARD KRAKEN

POWER: Absolute Opacity. in Architects Daughter. Your hand is permanently hidden. Opponents cannot target what they cannot see.

LORE: A mutual company shell masking the true owners. They hold the largest share of BlackRock itself. The ultimate self-reinforcing monopoly loop.

THE STATE STREET WOLF

POWER: The Bronze Medal. in Architects Daughter. Gain +5 power as long as you stay out of the spotlight.

LORE: The quiet third pillar of the Big Three. Always present in the top shareholder lists, silently extracting wealth.

THE BERKSHIRE BOAR

POWER: Compound Interest. in Architects Daughter. Double this card's power every 3 turns.

LORE: The old-school holding company giant. A massive piece of the interlocking duopoly puzzle, holding hands with the new tech whales.

THE NEXUS OF POWER

Why lobby the government when you can just be the government?

LARRY THE FINK-BIRD

POWER: Unfettered Access. Peek at the top 3 cards of the deck and rearrange them.

LORE: The public face of concentrated financial power. He doesn't just meet with heads of state; he hands them their to-do lists.

← MIND CONTROL!

THE HAMSTER WHEEL OF POWER

POWER: Job Swap. Swap one of your cards on the board with one from your discard pile.

LORE: Former executives move into the White House; former politicians move onto corporate boards. The line between private power and the state is a fiction.

← DIRTY WHEEL!

THE ALADDIN CHAMELEON

← DIGITAL BEAST!

POWER: System Administrator. Change the rules of the current turn.

LORE: They didn't just lend money to the central banks; they built the computer system (Aladdin) that the central banks use to manage their finances.

← Architects Daughter

THE BUNDESBANK BAT

← DIGITAL WRAPPED!

POWER: Continental Debt. Force an opponent to pay for your next card.

LORE: BlackRock acts as the chief advisor to the European central banking system. Sovereign nations take orders from the corporate board.

← Architects Daughter

INFINITE LOOP!

← EUROPE WRAPPED!

TOP 3 PEEK!

REVOLVING DOOR TORNADO!

RULE CHANGER!

HUMBUG!

DIGITAL BEAST!

DEBT COLLECTOR!

THE PHILANTHROPIC LAUNDROMAT

Permanent Marker: How to move billions, shape global policy, and avoid taxes with a smile!

THE TAX-FREE VAULT

POWER: Financial Maneuvering. Protect all your assets from game penalties.

LORE: Non-profits are ideal vehicles for moving immense sums of money from unseen investors into areas of social and political influence. No taxes, no transparency.

THE GATES HYENA

POWER: Global Health Czar. Control all healing and medical cards on the board.

LORE: When the US cut funding, he became the largest funder of the WHO. He funds the health bodies while partnering with the pharma companies. The loop is closed.

THE SOROS OWL

POWER: Funding the Narrative. Spawn 3 Activism tokens to block opponent's moves.

LORE: Moving billions to synchronize reporting, fund local journalism centers, and shape global political shifts from the shadows.

THE W.H.O. PIGGYBANK

POWER: Pandemic Declaration. Freeze the game board for one turn.

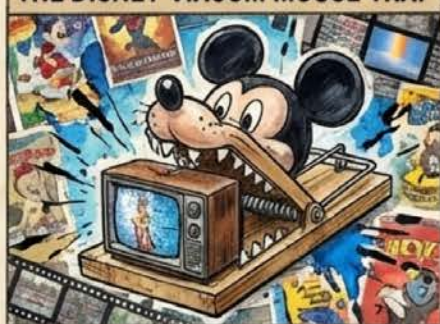

LORE: The global health authority. Who dictates their policy? Whoever drops the most coins in the slot.

THE SYNCHRONIZED SQUAWK BOX

Permanent Marker: 90% of the news, 9 conglomerates, 1 identical script!

THE DISNEY-VIACOM MOUSE-TRAP

POWER: Manufactured Consent. Opponent must agree with whatever you say this turn.

LORE: Disney, AT&T, Comcast. 90% of international media is owned by 9 conglomerates. The largest shareholders? Vanguard and BlackRock.

← **VANGUARD & BLACKROCK!**

THE REUTERS WOODPECKER

POWER: The Raw Feed. Determine the starting conditions for the next 3 turns.

LORE: Local news doesn't investigate; they just print the centralized feed. The wire services are the root code of the global narrative.

← **ARCHITECTS DAUGHTER**

← **THE RAW FEED!**

← **ROOT CODE!**

← **CENTRALIZED NARRATIVE!**

THE PROJECT SYNDICATE SPIDER

← **ARCHITECTS NEWS!**

POWER: Synchronized News. All players must play the same color card this turn.

LORE: Supplying the analytical slant for 156 countries. Funded by the elite foundations to ensure a single, unified narrative dominates the globe.

← **Architects Daughter**

THE FACT-CHECKER FERRET

← **INFORMATION SCRUB!**

POWER: Information Scrub. Remove one of your opponent's cards from the game entirely. "It never existed."

LORE: Funded by the same conglomerates and foundations. Their job isn't finding truth; it's ensuring no alternative perspectives get any airtime.

← **Architects Daughter**

← **INFORMATION SCRUB!**

← **CENSORED!**

← **NO ALTERNATIVE PERSPECTIVES!**

← **"IT NEVER EXISTED!"**

Luckiest Guy

THE DAVOS CABAL

You will own nothing, and you will learn to like the taste of bugs!

THE DAVOS MOUNTAIN GOAT

(Luckiest Guy)

POWER:

High-Level Dealmaking. Trade your worst card for your opponent's best card.

(Architects Daughter)

LORE: Where CEOs, politicians, and media elites meet. They claim to solve global problems, but 71% of their budget comes from corporate partners buying access.

(Architects Daughter)

THE KLAUS-SCHWAB MOLE-RAT

(Luckiest Guy)

POWER:

The Great Reset. Wipe the entire board clean. All players start from zero.

(Architects Daughter)

LORE: "The pandemic represents a rare but narrow window of opportunity to reflect, reimagine, and reset our world." The grand architect of the new normal.

(Architects Daughter)

THE BUILD-BACK-BETTER BEAVER

(Luckiest Guy)

POWER: Conditional Rebuilding. Rebuild a destroyed card, but it now belongs to the State.

(Architects Daughter)

LORE: The synchronized motto chanted by globalist politicians worldwide. A promise to reconstruct society under a centralized, technocratic grid.

(Architects Daughter)

THE 2030 SHEEPLE

(Luckiest Guy)

POWER: Joyful Servitude. Surrender your hand to your opponent and smile. Gain +1 Happiness token.

(Architects Daughter)

LORE: "You will own nothing, and you will be happy." The ultimate promise of the WEF agenda. Conditional compliance for basic necessities.

(Architects Daughter)

MANUFACTURED PANICS & PREDICTIVE PROGRAMMING

Permanent Marker: Never let a good dress rehearsal go to waste!

EVENT 201

THE FEAR TACTICIAN

POWER: Media Omnipresence. Speak with total unity. Opponent cannot play any Alternative Voice cards.

(Architects Daughter)

LORE: Belgian virologist Marc Van Ranst admitted on tape to strategically manipulating fear and mortality rates to ensure mass vaccine compliance.

(Architects Daughter)

THE 2012 KOCH-BAT

(Luckiest Guy)

POWER: Predictive Origin. Play this card 5 turns in advance. When triggered, it causes massive board damage.

(Architects Daughter)

LORE: The German Robert Koch Institute ran a 2012 simulation of a coronavirus jumping from an animal in a Southeast Asian market. A perfect dress rehearsal.

(Architects Daughter)

THE VIP FOOTBALLER

(Luckiest Guy)

POWER: Manufactured Demand. Make one of your low-value cards irresistibly expensive to your opponent.

(Architects Daughter)

LORE: Van Ranst leveraged the desire of professional soccer players to get the vaccine first to artificially increase public demand. Fear is the ultimate marketing tool.

(Architects Daughter)

Luckiest Guy: THE TROJAN HORSE OF SUSTAINABILITY

We will cure poverty by taking all your stuff!

THE U.N. TROJAN HORSE

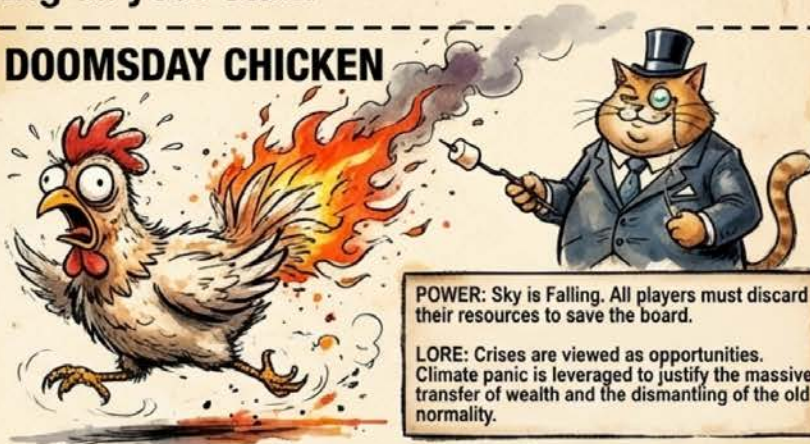

THE DIGITAL ID COLLAR

POWER: Total Tracking. You can see your opponent's cards for the rest of the game.

LORE: State as 2030 ostensibly aims to end poverty and hunger. The fine print? Citizens must surrender fundamental rights and wealth to achieve it.

THE DOOMSDAY CHICKEN

POWER: Sky is Falling. All players must discard their resources to save the board.

LORE: Crises are viewed as opportunities. Climate panic is leveraged to justify the massive transfer of wealth and the dismantling of the old normality.

THE GLOBAL LEVIATHAN

POWER: Sovereignty Surrender. Remove all border mechanics from the game. You rule the entire board.

LORE: The underlying principle of the Great Reset: nations must surrender sovereignty to an all-encompassing governing body to manage the transition.

Luckiest Guy: THE PATHWAY TO OWNING NOTHING

Permanent Marker: First they take the cash, then they take the house!

THE MIDDLE-CLASS NUTCRACKER

POWER: Forced Debt. Opponent must borrow tokens from you at 200% interest.

LORE: Step 1: A concerted attack on the middle class. Force small entrepreneurs into debt, leading to massive asset loss and dependency.

THE BANK BAIL-IN BEAR

POWER: System Failure. Erase all saved tokens on the board.

LORE: Step 2: Engineer a widespread bank collapse. When the system crashes, the whales swallow the remains of the small fish.

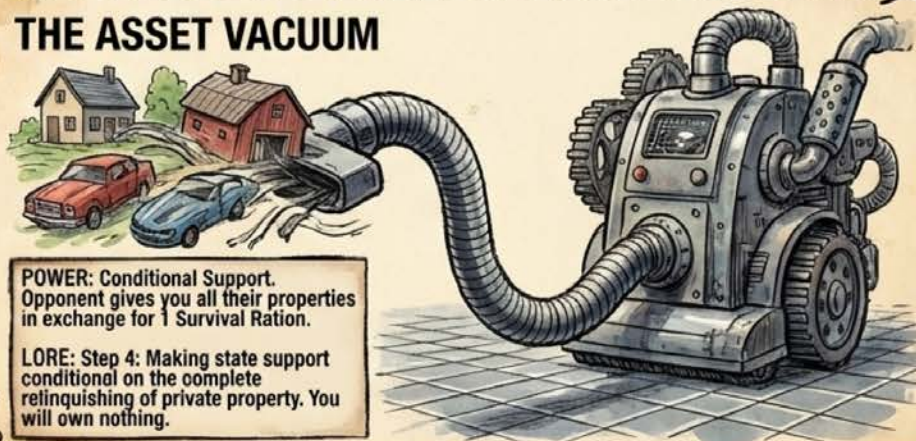

THE CASH BONFIRE

POWER: Digital Transition. All physical cards become worthless. Play only with abstract points.

LORE: Step 3: The elimination of physical. Moving entirely to programmable digital currencies controlled exclusively by central banks.

THE ASSET VACUUM

POWER: Conditional Support. Opponent gives you all their properties in exchange for 1 Survival Ration.

LORE: Step 4: Making state support conditional on the complete relinquishing of private property. You will own nothing.

Luckiest Guy: WHAT THEY STOLE FROM US

Permanent Marker: The technologies that would have made them obsolete!

THE TESLA PIGEON

POWER: Infinite Power. Draw cards until your hand is full, without paying costs.

LORE: Nicola Tesla's fundamental discoveries into clean, free energy systems were an existential threat to the centralized power grid monopoly. Shut down and suppressed.

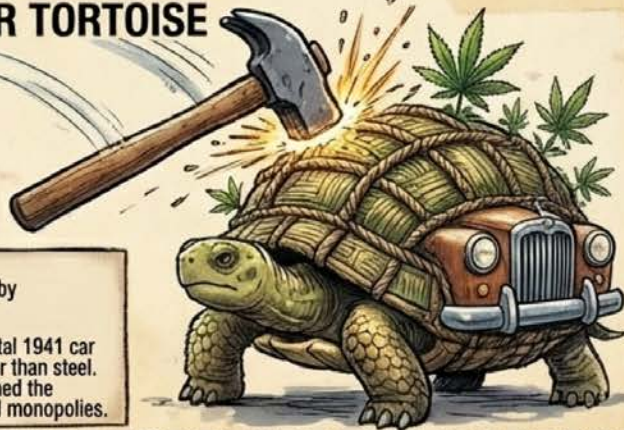

THE RIFE-BAT

POWER: Radio Healing. Remove all poison and damage from your deck instantly.

LORE: Dr. Rife allegedly used specific radio frequencies to heal cancer. A direct threat to the trillion-dollar pharmaceutical dependency model. He died under suspicious circumstances.

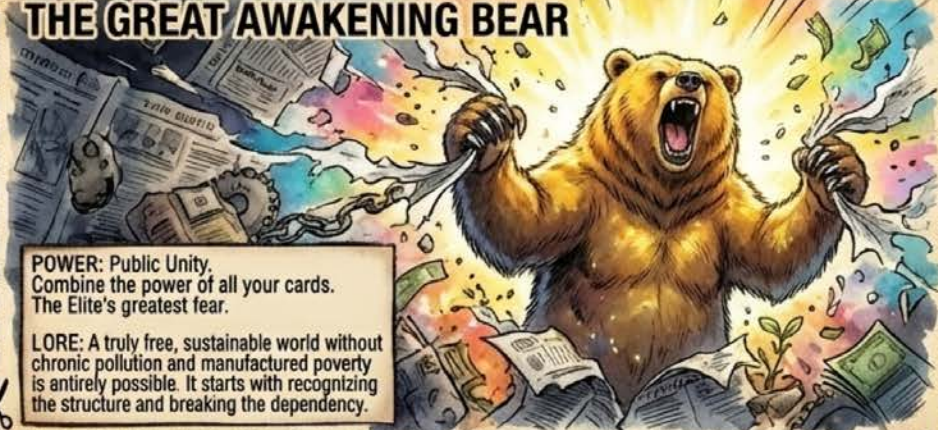

THE HEMP-CAR TORTOISE

POWER: Bio-Armor. This card cannot be destroyed by conventional attacks.

LORE: Henry Ford's experimental 1941 car made of bioplastic was stronger than steel. Suppressed because it threatened the petrochemical and raw material monopolies.

THE GREAT AWAKENING BEAR

POWER: Public Unity. Combine the power of all your cards. The Elite's greatest fear.

LORE: A truly free, sustainable world without chronic pollution and manufactured poverty is antirely possible. It starts with recognizing the structure and breaking the dependency.

The True Masters & The Mad Architect

Pull the thread, cut the cards, break the matrix!

The Tin-Foil Fox

POWER: Do Your Own Research.

Search the entire deck for any one card.

LORE: JFK warned of a monolithic and ruthless conspiracy relying on infiltration instead of invasion. It's not a theory. It's a documented, interlocking corporate fact.

The 0.001% Bloodline Dragon

POWER: Inherited Monopoly.

Start the game with half the board already under your control.

LORE: Who owns Vanguard? The wealthiest families hiding behind corporate shells for generations. The ancient founders of the banking system.

The Blackmail Vault

POWER: The Unexplained. Force an opponent to skip their turn out of sheer embarrassment.

LORE: The true, fundamental motives relate to history beyond rational thinking. How do they maintain control over their underlings? Unhuman blackmail methods.

Uncle FrizzleBob's Scissors

POWER: Cut & Play. Physically cut an opponent's card in half (or just pretend to, for legal reasons). You win.

LORE: The power to choose rests entirely with you. Stay skeptical, stay sharp, and keep seeking the truth behind the curtain. Peace out.
