HOW TO WEAPONIZE THIS PAPER (The Rules)

1. THE STATS:

Each card has three empty slots: [R] Reality, [A] Anarchy, [F] Friction. Fill these with pips (1-6) based on how much you hate the book. 1 = 'Meh', 6 = 'I hate that this exists'.

2. THE MECHANIC:

These are ARTIFACTS. They overwrite standard reality. When played into the Ring, you must narrate why the old truth is gone.

3. THE POWER:

Use the text at the bottom right of the card. If the table groans, it's working. If they argue, call BLÖDSINN!

BEHOLD A PALE HORSE

[R] ☐ [A] ☐ [F] ☐

Aliens are real,
Aliens are real, HIV was a
test, and the Illuminati run
the DMV. Everything is a
dot waiting to be connected.

DISCLOSURE EVENT: Force
another player to reveal
their hidden agenda (or hand).
If they refuse, the aliens
take their turn.

Humbug!

HISTORY OF CENTRAL BANKING

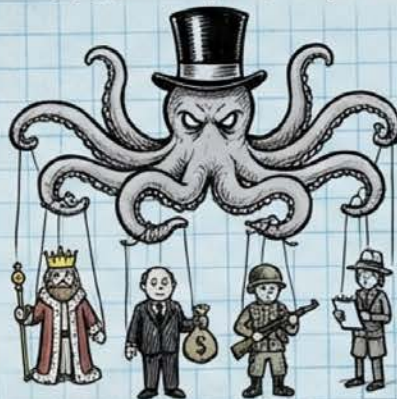

[R] ☐ [A] ☐ [F] ☐

From Rome to the Fed: a
thesis that usury is the
chain and debt is the cage.
Lincoln knew too much.

INFLATION: Add a card to
the Ring that does nothing
but increase the 'cost'
(difficulty) for everyone
else.

THE SYNAGOGUE OF SATAN

[R] ☐ [A] ☐ [F] ☐

A timeline of how a
secret high council of
"Luciferian" elites
supposedly rented out
world history.

SHADOW COUNCIL: You
may change the Quest Die
result by +1/-1 by
claiming "we paid for this
outcome."

ATLANTIS, EDDA, AND BIBLE

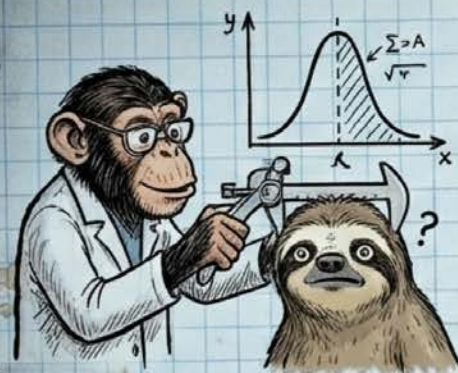

[R] ☐ [A] ☐ [F] ☐

200,000 years of Germanic
culture, supposedly stolen
and sunk. Jesus was Aryan?
Sure, throw that in the pot
too.

MYTHIC REWRITE: Rename an
existing location in the
Ring to 'Atlantis.' It is
now considered 'Lost' and
cannot be targeted.

THE BELL CURVE

[R] ☐ [A] ☐ [F] ☐

The statistical argument that IQ is destiny, genetics are unfair, and social policy is fighting biology.

STANDARDIZED TEST: Pick a number (1-6). Players who roll under it are "statistically disadvantaged" and lose their Power this turn.

CAMP OF THE SAINTS

[R] ☐ [A] ☐ [F] ☐

A dystopian panic attack about mass migration, the "Armada," and the collapse of the West under the weight of the "Other."

SIEGE MENTALITY: No new cards may enter the Ring for one full round. The borders are closed.

BLÖDSINN!

THE MYTH OF THE 20TH CENTURY

[R] ☐ [A] ☐ [F] ☐

Rosenberg's racial worldview: The soul is race, the blood is truth, and history is a breeding program gone wrong.

PURIST FILTER: Remove any card from the Ring that contradicts your Actor's "lineage" or "vibe."

200 YEARS TOGETHER

[R] ☐ [A] ☐ [F] ☐

Solzhenitsyn's dense examination of Russian-Jewish relations. Is it history or an indictment? Depends on the translation.

DUAL NARRATIVE: Split the current Reality (Ring). Half the players follow one rule, half follow another.

KayfaBOGGLE!

THE MANIPULATED MAN

LADY CHATTERLEY'S LOVER

[R] ☐ [A] ☐ [F] ☐

SPECIAL ELITE:
Esther Vilar's claim that men are not oppressors, but conditioned slaves working for praise. Feminism is just HR.

EMOTIONAL BLACKMAIL:
Force another player to agree with your narrative or lose their turn.

[R] ☐ [A] ☐ [F] ☐

Class barriers dissolved by four-letter words and an affair in the woods. Banned for obscenity, remembered for honesty.

SCANDAL: Choose two Actor cards. They are now "entangled"—what happens to one happens to the other.

STORY OF O

[R] ☐ [A] ☐ [F] ☐

A voluntary descent into total objectification. The secret society requires everything. Consent is the first thing to go.

TOTAL SUBMISSION: You may sacrifice your turn to let another player take two turns. Why? Because you enjoy it.

MIGHT IS RIGHT

[R] ☐ [A] ☐ [F] ☐

Weakness is a sin. Pity is a disease. The only right is the iron fist. A manifesto for social Darwinists.

ALPHA STRIKE: Overwrite any card in the Ring immediately. No narrative justification needed. Might makes right.

HARRY POTTER

R A F

Special Elite

Witchcraft! Occultism!
This boy wizard is a
gateway drug to
Satanism, according to
Tennessee exorcists.

EXPELLIARMUS:

Disarm another player.
They cannot use their
Artifact's Power this turn.

THE BIBLE

R A F

Special Elite

The most printed book in

DIVINE INTERVENTION:

Reroll the Quest Die. If
it's a 1, a plague hits
(clear the Ring).

CATCHER IN THE RYE

R A F

Special Elite

Holden Caulfield's nervous
breakdown. Banned for
swearing and rebellion.
Everyone is a phony
except you.

ALIENATION:

You are immune to all
effects from other players
this turn. You're just
wandering New York alone.

FAHRENHEIT 451

R A F

Special Elite

A book about burning
books that gets banned
for being about burning
books. The irony burns at
451 degrees.

MEMORY HOLE:

Burn (remove) one card
from the game
permanently. It is never
mentioned again.

Hot! Hot! Hot!

AMERICAN PSYCHO

[R] ☐ [A] ☐ [F] ☐

Consumerism meets carnage. Patrick Bateman murders his way through the 80s, but the real horror is that nobody notices.

RETURNING VIDEO TAPES:

Leave the scene (skip your turn) to avoid consequences. When you return, the Ring is clean.

UNINTENDED CONSEQUENCES

[R] ☐ [A] ☐ [F] ☐

The gun culture bible. A fiction so detailed about dismantling the ATF that it became a manual for McVeigh.

REPEAL:

Nullify the current Quest. The laws have changed because you have more ammo.

ALL QUIET ON THE WESTERN FRONT

R ☐ A ☐ F ☐

Special Elite

War is not heroic; it is a meat grinder. Banned by Nazis for being 'unpatriotic' because it showed the trauma, not the glory.

SHELL SHOCK:

All players must remain silent for one minute. No narration. Only the dice move.

SHAMS AL-MA'ARIF

R ☐ A ☐ F ☐

Special Elite

The Sun of Knowledge. An ancient grimoire of names and numbers. Sufi wisdom or black magic? Don't read it aloud.

DJINN SUMMONING:

Roll a D6. On a 6, you win the current conflict instantly. On a 1, you lose your Actor card.

MANIFESTO: REALITY IS NEGOTIATED.

These books were hidden because they tried to rig the negotiation. Some are evil, some are genius, some are just boring. In "Kayfabizzaro", they are just TOOLS.
Cut them out. Play them. Don't believe them.

PRINT INSTRUCTIONS:

Print on heavy cardstock.
Or steal office paper.
I don't care.
Use scissors, not teeth.
