Listen up! Oscar Wilde was the original
Reality Wrestler. He knew the truth:
Society is just a stage, manners are just
wrestling moves, and 'Morality' is a mask
you wear to get free muffins.

We are turning this play into a fight
for survival. Your weapon?
The Cucumber Sandwich.
Your shield? A fake identity.

*"The truth is rarely pure
and never simple." — O.W.
(The First Kayfabian)*
