BLÖDSINN!

Welcome to the Ring of Self-Deception

Coming-of-Age isn't growing up. It's a violent, involuntary unmasking.

THE BLANKET OF INNOCENCE

HUMBUG!

POWER: Block 1 attack, but permanently reduce your Max Health. The illusion of safety only delays the beating.
LORE: Innocence must be sacrificed to gain wisdom. To refuse is to remain a victim.

THE SHIELD OF BLAME

Penalty for being small!

POWER: Shift damage to a teammate. Gain +1 Cowardice.
LORE: Moral weakness demands you refuse responsibility. Maturation demands you look in the mirror.

THE MASK OF THE GIMMICK

Stay fluffy!

Penalty for being small!

HUMBUG!

POWER: Ignore all ring effects this turn. You cannot attack.
LORE: The gimmick is a survival mechanism that worked once, and is now your trap.

THE ALTAR OF FALSE IDOLS

Unfair!

Ref needs glasses!

POWER: Sacrifice 2 cards to boost the Boss's stats.
LORE: Loyalty to the wrong system guarantees your destruction. Find your own truth.

Pick Your Poison: Match Types of Misery

Different arenas. Same brutal destruction of your worldview.

THE CLASSIC BILDUNGS-RUMBLE

POWER: Discard your Naivety tokens to gain Responsibility buffs.
LORE: You aren't discovering the world. You are being formed by it, violently.

What the FLUFF?!

THE SOCIAL CO-MAIN EVENT

POWER: Leave your Faction. Gain +3 Solo Power, but lose all Support cards.
LORE: Identity exists beyond the faction. You are not just like the others.

RAT RULES!

THE YA DYSTOPIAN CAGE MATCH

POWER: Deal damage equal to the number of Oppression tokens on the board.
LORE: The system knows best. That is the lie. Resistance is your only moral duty.

THE ARTIST'S BLINDFOLD MATCH

POWER: Take 2 damage to draw 3 cards. Normalcy is no longer an option.
LORE: Talent requires sacrifice. The calling is an inescapable agony.

NO REFUNDS!

GW

Georg v. Westphalen

Out-of-Ring Brawls & Midlife Meltdowns

Because trauma doesn't check your ID at the door.

THE TRAUMA HARDCORE MATCH

POWER: Convert 1 Trauma token into a Barbed Wire barricade.

LORE: The world was never meant to protect you. Resilience is an order you build yourself.

KayfaBOGGLE!

THE QUEER TAG-TEAM BETRAYAL

POWER: Change your Type to match the opponent, avoiding damage but losing your Turn.

LORE: The ultimate illusion: I must adapt to be loved.

THE IMMIGRANT LADDER MATCH

POWER: Play cards from two different Faction decks, but pay double the energy cost.

LORE: Torn between two rings. The Illusion is believing you must choose only one.

KayfaBOGGLE!

THE MIDLIFE KRISIS BATTLE ROYAL

POWER: Discard your entire hand of Career cards to draw a new hand of Desperation.

LORE: The second adolescence. The lie is telling yourself: I know exactly who I am.

Death Point #1: The Turnbuckle Snaps

The parental safety net was actually made of rusted razor wire.

THE FALLEN PROMOTER

POWER: Destroy 1 Authority card on the board. All players take 2 Chaos damage.
LORE: The societal structures you trusted have failed. The first safe world collapses.

THE EVICTED LOCKER ROOM

POWER: Remove all Location buffs. You cannot return to your Starting Zone.
LORE: Loss of the home space. Protection is permanently revoked.

THE BANKRUPT MENTOR

POWER: Your Mentor card loses all abilities and becomes a 0/1 Meat Shield.
LORE: The mentor is flawed, selfish, and broke. True wisdom offers no emotional comfort.

THE REF'S BLIND EYE

POWER: Opponents can cheat (play 2 cards instead of 1) this turn. No penalties.
LORE: The universe is not cruel. It is simply, devastatingly indifferent.

Death Point #2: The Steel Chair of Friendship

Your stablemates have their own push to worry about.

THE TAG-TEAM HEEL TURN

POWER: Sacrifice your Ally to negate an attack targeted at you.
LORE: Friends will always sacrifice you for their own survival. Peer betrayal is mandatory.

THE STOLEN FINISHER

POWER: Copy the last card played by an Ally. The Ally must discard it.
LORE: The second safe world is a lie. Equality is just a pause before exploitation.

THE LOCKER ROOM WHISPER CAMPAIGN

POWER: Target player cannot use Support or Faction abilities for 3 turns.
LORE: Social excommunication. You are now a pariah in the world you helped build.

THE SOLO ENTRANCE

POWER: If you have no Allies on the board, gain +5 Base Attack.
LORE: The terrifying reality of individual survival. Nobody is coming to save you.

Death Point #3: The Bloodied Mirror

The hardest bump to take is your own moral complicity.

THE REPLAY SCREEN OF SHAME

POWER: Reveal your hand. Take 1 damage for every Trick card you hold.

LORE: You must see your own hand in the disaster. The illusion of your innocence is dead.

The gressfully, mite

THE BURDEN OF THE BELT

POWER: Gain the Champion Token. You now take double damage from all sources.

LORE: Accepting the true cost of the illusion. Being the best is a life sentence.

THE SHATTERED KAYFABE

POWER: Remove all ongoing effects, buffs, and debuffs from the entire board.

LORE: The final bastion of innocence falls. The script was a lie you chose to believe.

Micro-stories,

THE TRUBY TWO-STEP

POWER: Discard 2 Weakness cards to permanently upgrade your Base Stats.

LORE: You must overcome BOTH the need for comfort and the refusal of responsibility.

THE MARKS & THE MANIPULATORS

Mirrors and destroyers of the grand illusion.

THE NAÏVE JOBBER

POWER: Immune to Fear. Takes double damage from Reality checks.

LORE: Your strength IS the illusion. You only survive because you don't know the odds.

THE SMILING VALET

POWER: Heal 2 HP now, but lose 4 HP at the end of the turn.
LORE: The False Caregiver. Temporary, deceptive security from someone who lacks true power.

THE CYNICAL MANAGER

POWER: Force an Ally to take 1 damage, but they gain +3 Attack next turn.

LORE: The true Mentor offers brutal truth, absolute clarity, and zero emotional comfort.

THE MIRROR ROOKIE

POWER: Copy an opponent's action, but apply a different outcome.
LORE: Same starting line, different choices. Maturation is a choice, not an automatism.

KayfaBONGO!

What, nand ont the turn, whoct and the mioch power?

Loop back, anorcxcting games.

THE CORPORATE CHAMPION

POWER: Tax every card played by opponents (costs +1 Energy).

LORE: Authority represents power vs. morals. They have their own logical, crushing gravity.

THE COMPROMISED VETERAN

POWER: Cannot attack on the first turn of combat. Generates 1 Pity token.

LORE: Adults are not evil. They are weak, compromised, and still failing to mature.

THE INDIFFERENT AUDIENCE

POWER: Ignore all Appeal and Promo effects this turn.

LORE: The World. It does not actively hate you. It just doesn't care if you die.

THE SCRIPT WRITER

POWER: Rearrange the top 3 cards of any deck.

LORE: The illusion of free will in the ring. You are wrestling someone else's thesis.

BLÖDSINN!

BLÖOSINN!

From Squeaky Mic to Shoot Promo

Maturation is heard before it is seen. Drop the script.

THE PHASE 1 BABYFACE PROMO

POWER: Reveal your hand to your opponent. Gain 1 Trust token.

LORE: Simplistic, trusting, authority-blind. You speak the words they gave you.

THE PHASE 2 REBEL YELL

POWER: Deal 2 damage to EVERYONE, including yourself.

LORE: Polarizing, black-and-white teen angst. You reject the script, but have no voice of your own.

THE PHASE 3 STUTTERING SHOOT

POWER: Discard a card to cancel an opponent's card, but end your turn immediately.

LOWER: Discard a card to cancel an opponent's card, the new turn.

LORE: Splintered, contradictory transition. The old voice is dead; the new one isn't born.

THE PHASE 4 NUANCED COMMENTARY

POWER: Play two contradictory cards simultaneously without penalty.

LORE: Self-critical, capable of holding contradiction. You finally own your own narrative.

The Physics of Psychological Trauma

Your body morphs, the ring shrinks, the crowd suffocates.

1 THE ROID-RAGE GROWTH SPURT

POWER: +5 Attack, but you lose control of your target (roll a die to select).

LORE: Physical maturation wildly outpaces psychoal readiness. The body becomes a trap.

What the FLUFF?!

2 THE CLAUSTROPHOBIC GYM

POWER: Neither player can play more than 1 card per turn.

LORE: Childhood space. The walls that protect you are the same walls that imprison you.

3 THE STADIUM OF TERROR

POWER: Remove all Location protections. All characters take +1 damage from attacks.

LORE: Wide open space. Total freedom is just another word for infinite threats.

POWER: Remove all Location protections. All characters take +1 damage from attacks.
LORE: Wide open space. Total freedom is just another word for infinite threats.

4 GORILLA POSITION

POWER: Swap a character from your Bench with your Active character.

LORE: The physical threshold of psychological change. You cannot return to the locker room.

POWER: Swap a character from your Bench with your Active character, to endure.
LORE: The physical threshold of psychological change. You cannot return to the locker room.

Disqualifications of the Hacks

Cheap heat and lazy booking will get you fired from life.

THE MAGICAL MENTOR'S WAND

POWER: If played, opponent immediately steals this card and slaps you with it.

LORE: SIN: Omniscient guides. If the mentor doesn't bleed, the lesson is slop.

CRITICS!

THE SUDDEN EPIPHANY BELL

POWER: Draw 5 cards, then instantly discard them all.

LORE: SIN: Instant wisdom without incremental pain. Real growth is paid in installments.

THE GOLDEN ERA GOGGLES

POWER: Skip your turn to heal 1 HP.

LORE: SIN: The Nostalgia Trap. The past was a cage. Stop trying to climb back in.

HUMBUG!

NO TALENT!

LAZY!

THE CARTOON VILLAIN MUSTACHE

POWER: Target enemy gains +2 predictable damage but loses all Strategy options.

LORE: SIN: One-dimensional evil. If your adults are cartoons, your protagonist is a joke.

The Cost of the Main Event

Identity is not discovered. It is paid for in blood.

THE BLOOD BROTHER CONTRACT

POWER: Link two characters. When one dies, the other takes 5 damage.

LORE:
SIN: Perfect, unwavering peer loyalty. True arcs demand betrayal from the inside.

True arcs demand betrayal from the inside.

THE CONFETTI CANNON OF LIES

POWER: Heal all damage, but permanently lose the ability to Win the game.

LORE:
SIN: The "Happy Maturation" reward. Growing up is a loss. It costs something irreversible.

THE NEW PERSONA MASK

POWER: Discard your current Character Card. Draw a new one with +1 to all stats.

LORE:
Novelty Budget: You never return to who you were. You are only ever new, and scarred.

THE VOID OF THE POST-MATCH

POWER: Game Over. Tally your remaining Trauma tokens to calculate your final Identity score.

LORE:
Tension resolved. The illusion is dead. Now, who the hell are you?
