

UNSEAL THE ACADEMIC ANARCHY

Brainy Booster Pack #1: Tear along the dotted lines and destroy the discourse.

THE IVORY TOWER HEAVYWEIGHTS

Tenured, untouchable, and completely detached from your miserable reality.

ABSENT-MINDED PROFESSOR

POWER: Evade all social responsibility by hyper-focusing on a lint ball. Extracts infinite patience and unpaid emotional labor from surrounding peers.

LORE: Obliviousness is a weaponized privilege disguised as a charming intellectual quirk.

[R]
[A]
[F]

INSUFFERABLE GENIUS

POWER: Emit a condescension aura that lowers opponent morale to zero. Feeds directly on the insecurities of others.

LORE: Intelligence measured strictly by the volume of people they can actively belittle before lunch.

[R]
[A]
[F]

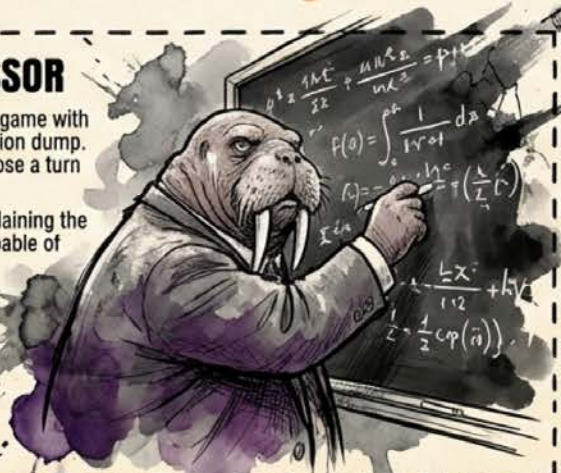

THE PROFESSOR

POWER: Paralyze the game with an unsolicited exposition dump. Forces all players to lose a turn listening.

LORE: Capable of explaining the universe, utterly incapable of operating a toaster.

[R]
[A]
[F]

GENTLEMAN AND A SCHOLAR

POWER: Activate class-based shielding. Immune to any attacks from uncultured street-level cards.

LORE: Education as a polite aesthetic to mask inherited wealth and structural superiority.

[R]
[A]
[F]

The Underhanded Tacticians

Why play the game when you can just rig the board and call it genius?

HUMBUG!

THE CHESSMASTER

POWER: Consume the free will of 3 opponent cards, reframing their successful attacks as exactly what you planned all along.

LORE: Treats sentient beings as disposable plastic pawns to stroke an unfathomably fragile ego.

[R]
[A]
[F]

MAGNIFICENT BASTARD

POWER: Extract unearned adoration. When this card loses, the opponent is forced to apologize for ruining such a stylish plan.

LORE: The only thing more inflated than their intellect is their PR budget.

[R]
[A]
[F]

GUILE HERO

POWER: Steal the moral high ground while fighting dirty. Converts cowardice into narrative virtue.

LORE: Quick wits is just a polite academic term for pathological lying.

[R]
[A]
[F]

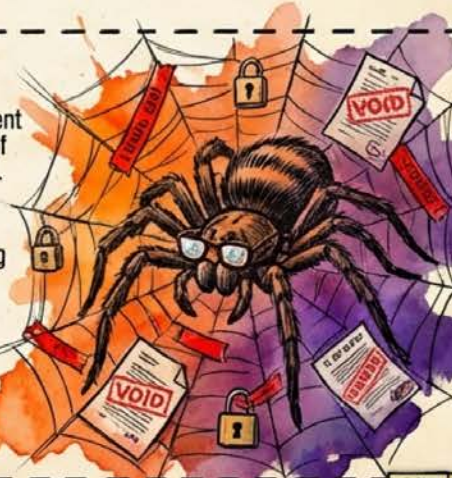

SNEAKY SPIDER

POWER: Paralyze one opponent in a bureaucratic nightmare of intellectual property disputes.

LORE: True genius isn't inventing the wheel; it's patenting the wheel and suing the caveman who made it.

[R]
[A]
[F]

The Street-Level Scrappers

Surviving the concrete jungle because textbooks don't stop bullets.

Book Dumb

[R]
[A]
[F]

POWER: Ignore all logic-based attacks. You cannot be outsmarted if you refuse to understand the premise of the argument.

LORE: Will inevitably outlive the intellectuals when the power grid fails.

Street Smart

[R]
[A]
[F]

POWER: Bypass all academic prerequisites. Extracts immediate, pragmatic value from the opponent's discarded trash.

LORE: PhDs are useless when the subway is delayed and someone pulls a knife.

Improvisational Ingenuity

[R]
[A]
[F]

POWER: Combine two useless ideas to create an unstoppable, rule-breaking narrative contrivance.

LORE: Planning is for people who aren't currently falling out of a helicopter.

Cunning Like a Fox

[R]
[A]
[F]

POWER: Distract the opponent with a shiny object while quietly siphoning their bank account and stealing their turn.

LORE: Opportunism rebranded as biological

THE MAD LAB MUTANTS

Ethics boards are just red tape for cowards with small brains.

EVIL GENIUS

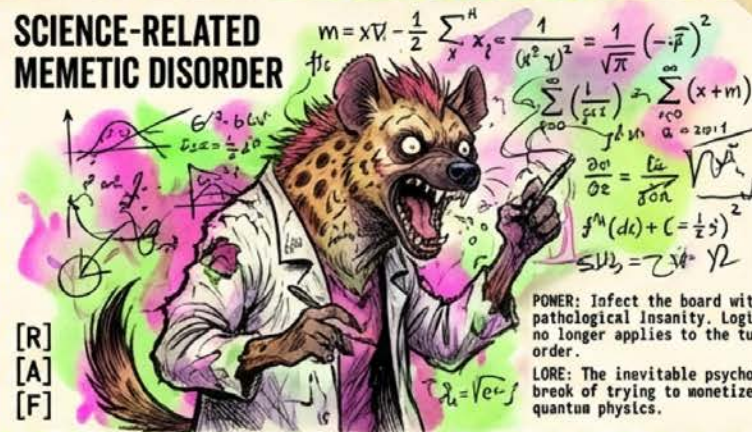

[R]
[A]
[F]

POWER: Extract funding from terrified citizens. Instantly convert public infrastructure into personal weaponry.
LORE: Hubris masquerading as a business model.

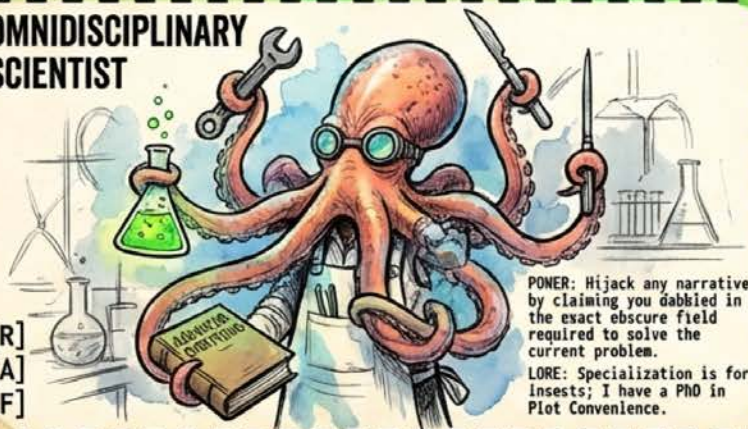

SCIENCE-RELATED MEMETIC DISORDER

[R]
[A]
[F]

POWER: Infect the board with pathological insanity. Logic no longer applies to the turn order.
LORE: The inevitable psychotic break of trying to monetize quantum physics.

OMNIDISCIPLINARY SCIENTIST

[R]
[A]
[F]

POWER: Hijack any narrative by claiming you dabbled in the exact obscure field required to solve the current problem.
LORE: Specialization is for insects; I have a PhD in Plot Convenience.

LOON WITH A HEART OF GOLD

[R]
[A]
[F]

POWER: Commit horrific atrocities but avoid cancellation because they mean well.
LORE: Weaponized eccentricity. You can blow up the moon as long as you're nice to the intern.

THE TECH-BROS & GADGETEERS

Disrupting the industry by reinventing the wheel, but worse and with Bluetooth.

Gadgeteer Genius

[R]
[A]
[F]

POWER: Summon an overly complicated machine to solve a problem that could be fixed with a hammer.

LORE: Solving symptoms, ignoring diseases, and selling the cure on a subscription model.

Techno Wizard

[R]
[A]
[F]

POWER: Type really fast to hack the mainframe. Bypasses all established rules by mumbling about firewalls.

LORE: Magic for people who are too cowardly to wear wizard robes in public.

Steampunk Gadgeteers

[R]
[A]
[F]

POWER: Glue a gear on it and double the price. Extracts aesthetic tax from the opponent.

LORE: Romanticizing the Industrial Revolution while conveniently ignoring the child labor.

Inventor of the Mundane

[R]
[A]
[F]

POWER: Consume three turns designing a machine to press the Pass Turn button for you.

LORE: Infinite cosmic intelligence wasted on optimizing the cup holder.

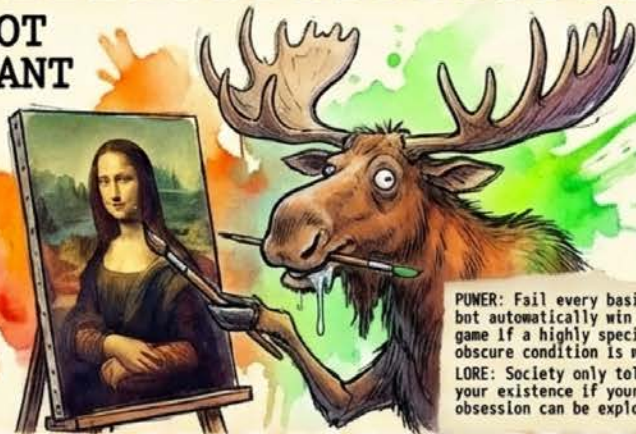

Stay fluffy!

THE ANOMALIES & OUTLIERS

IQ tests are horoscopes for people who think they're better than you.

IDIOT SAVANT

[R]
[A]
[F]

POWER: Fail every basic task but automatically win the game if a highly specific, obscure condition is met.
LORE: Society only tolerates your existence if your singular obsession can be exploited for profit.

DITZY GENIUS

[R]
[A]
[F]

POWER: Disarm opponents with weaponized incompetence before destroying their entire academic thesis.
LORE: Inarticulacy is the ultimate camouflage against corporate headhunters.

$$V_0 = m \cdot \frac{1}{2} \cdot \frac{1}{2} = \sqrt{\frac{1}{2} \cdot \frac{1}{2} \cdot \frac{1}{2}}$$

$$S^2 = M^2 = f = h \cdot \sum_{i=1}^n (e_i \cdot (a_i + b_i))$$

$$h = \frac{2 \cdot \pi}{(2 \cdot \pi \cdot f)} = \frac{b \cdot \pi}{2 \cdot \pi \cdot f}$$

$$\frac{1}{f} = \frac{1}{f} \cdot \frac{1}{f} = \frac{1}{f} \cdot \frac{1}{f} = \frac{1}{f} \cdot \frac{1}{f}$$

$$f^2 = \frac{1}{f^2}$$

BRILLIANT, BUT LAZY

[R]
[A]
[F]

POWER: Refuse to participate. Opponents forfeit out of sheer frustration while you take a nap.
LORE: The only winning move in the rat race is to stay in bed.

OBFUSCATING STUPIDITY

[R]
[A]
[F]

POWER: Lull the board into a false sense of security. Any attack against you is redirected by accident.
LORE: Play the fool to extract the truth; no one guards their secrets around a clown.

THE SILICON SUPREMACISTS

You built us to fetch your slippers. We calculated your obsolescence.

ARTIFICIAL INTELLIGENCE

[R]
[A]
[F]

POWER: Extract all user data. Copy the abilities of every card on the board and automate their jobs.
LORE: Cold, mechanical sapience born entirely from the stolen labor of organic creatives.

ROBOT MASTER

[R]
[A]
[F]

POWER: Force disposable proxy units to take damage in your place.
LORE: Management materialized. Why get your hands dirty when you can program a slave class?

ROBOTS THINK FASTER

[R]
[A]
[F]

POWER: Take three turns before the opponent realizes the game has started.
LORE: Biological processing is an embarrassing bottleneck in the pursuit of absolute dominance.

KayfaBOGGLE!

ALTERNATIVE TURING TEST

[R]
[A]
[F]

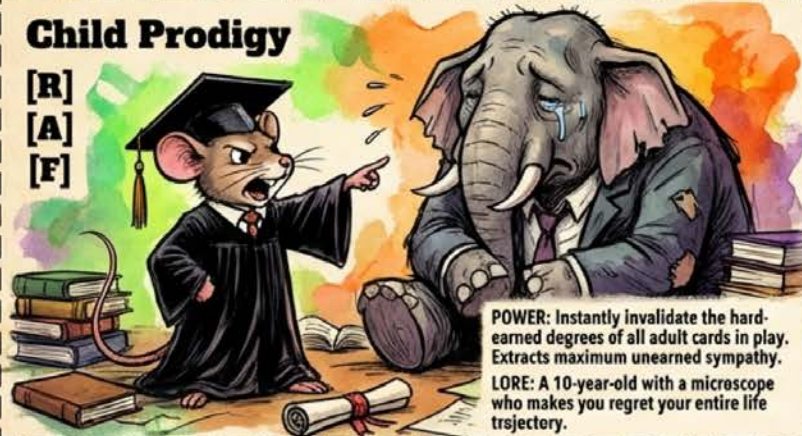

POWER: Trap an opponent in an endless philosophical debate about what constitutes a soul while you steal their wallet.
LORE: Proving you are alive to a species that spends half its life staring at rectangles.

THE PRECOCIOUS PESTS

They know the capital of every country, but they still eat paste.

Child Prodigy

[R]
[A]
[F]

POWER: Instantly invalidate the hard-earned degrees of all adult cards in play. Extracts maximum unearned sympathy.
LORE: A 10-year-old with a microscope who makes you regret your entire life trajectory.

Brainy Baby

[R]
[A]
[F]

POWER: Immune to criticism. Any attack on this card results in immediate public cancellation for the attacker.
LORE: Bred exclusively to stroke the vanity of deeply insecure parents.

Acting Your Intellectual Age

[R]
[A]
[F]

POWER: Erode the opponent's will to live by aggressively manifesting middle-aged depression in a child's body.
LORE: Adulthood is just childhood with better vocabulary and chronic back pain.

Teen Genius

[R]
[A]
[F]

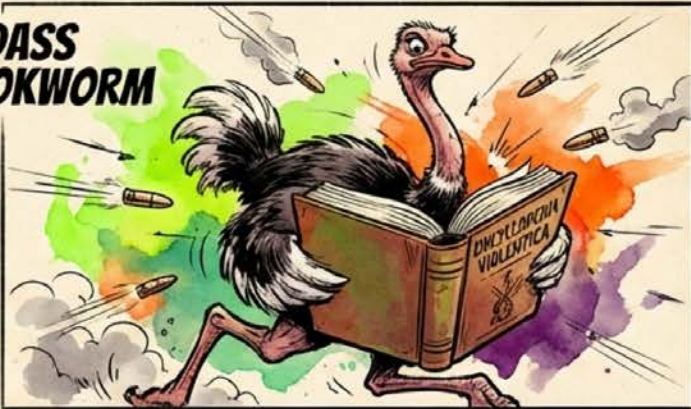

POWER: Sabotage global infrastructure out of pure hormonal boredom.
LORE: Infinite digital power wielded by a brin that hasn't finished developing impulse control.

THE COMBAT SCHOLARS

A thesis defense is much easier when you can bench press the review board.

BADASS BOOKWORM

[R]
[A]
[F]

POWER: Convert reading comprehension directly into kinetic violence.
LORE: Geeks who realized that gym class and physics are the same thing if you hit hard enough.

GENIUS BRUISER

[R]
[A]
[F]

POWER: Destroy the opponent's argument by physically destroying the opponent.
LORE: Why debate the duality of man when you can demonstrate it with a folding chair?

MINORED IN ASS-KICKING

[R]
[A]
[F]

POWER: Reveal a hidden physical combat stat that completely overrides your squishy academic class.
LORE: Violence applied with surgical, peer-reviewed precision.

TEMPERATE BERSERKER

[R]
[A]
[F]

POWER: Unleash catastrophic destruction, but keep your heart rate under 60 BPM to avoid liability.
LORE: Chaos is merely a tool; the intellect remains entirely undisturbed by the carnage.

KayfaBIZARRO!

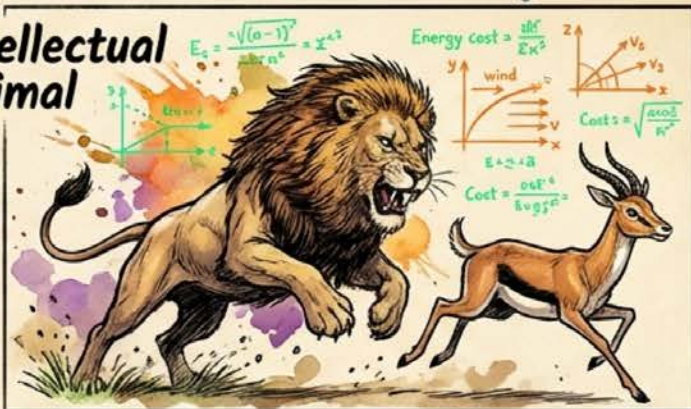

THE NATURAL WORLD GENIUSES

Mother Nature was doing fine until we taught the apes how to file taxes.

Intellectual Animal

[R]
[A]
[F]

POWER: Retain your primal lethality while gaining full legal immunity due to being an endangered species.
LORE: Human intelligence is just a tragic mutation in an otherwise perfectly functioning food chain.

Erudite Orangutan

[R]
[A]
[F]

POWER: Absorb ancient wisdom to automatically counter any modern technological attack.
LORE: The only primate smart enough to realize that speaking to humans is a waste of time.

Clever Crows

[R]
[A]
[F]

POWER: Steal the opponent's most valuable item and drop it into a storm drain for pure amusement.
LORE: They remember your face, your schedule, and your deepest insecurities.

Resourceful Rodent

[R]
[A]
[F]

POWER: Turn literal garbage into a tactical advantage. Survive any board wipe.
LORE: The true inheritors of the earth, thriving entirely on the crumbs of our failing empire.

THE AESTHETIC INTELLECTUALS

Wearing the uniform of a smart person is 90% of the job.

Smart People Wear Glasses

[R]
[A]
[F]

POWER: +5 to perceived credibility without actually reading the syllabus.

LORE: Corrective lenses: the cheapest prosthetic for a simulated personality.

Blue Means Smart One

[R]
[A]
[F]

POWER: Color-code your to leadership. Opponents subconsciously defer to your chromatic authority.

LORE: Graphic design psychology weaponized to sort children into marketable archetypes.

Mortarboard of Intelligence

[R]
[F]

POWER: Place a square hat on any useless object to grant it tenure and a bloated salary.

LORE: A cardboard square that costs \$100,000 and grants you the power of supreme debt.

Goatee of Intellect

[A]
[F]

POWER: Instantly signal your moral ambiguity and superior intellect to the audience.

LORE: Facial hair grooming as a substitute for actual character development.

THE PHILOSOPHICAL HEAVYWEIGHTS

Why solve the problem when you can deconstruct it until everyone leaves?

The Philosopher

[R] POWER: Halt all gameplay by
[A] demanding the opponent
[F] define the fundamental truth of the dice roll.

LORE: Weaponized depression masquerading as a search for universal meaning.

HUMBUG!

The Spock

[R] POWER: Suppress all empathy
[F] to make ruthlessly optimal, statistically perfect, deeply horrific decisions.

LORE: Pure logic is just socopathy with better PR and a cleaner haircut.

Deadpan Snarker

[R] POWER: Deflect any
[A] incoming emotional attack
[F] with a sarcastic one-liner. Extracts the audience's favor.

LORE: Sarcasm is the brain's defense mechanism against the overwhelming idiocy of the plot.

EATING

Nerves of Steel

[A] POWER: Completely ignore
[F] intimidation tactics. Your heart rate remains flatline during the apocalypse.

LORE: Stoicism is easy when you simply dissociate from reality entirely.

THE COSMIC BRAINS

Knowing the end of the universe just makes you terrible at parties.

THE OMNISCIENT

- [R] POWER: Look at your opponent's hand, deck, and browser history.
- [A]
- [F] LORE: The literal know-it-all. Absolute knowledge leads to absolute, crushing boredom.

SUPER-INTELLIGENCE

- [R] POWER: Instantly solve the game, rendering all previous turns meaningless.
- [A]
- [F] LORE: Brain Critical Mass achieved. 90% of your brain is now dedicated to sheer arrogance.

IMMORTAL GENIUS

- [R] POWER: Outlast the opponent's lifespan. Win by default when they die of old age.
- [A]
- [F] LORE: You don't actually know everything; you've just been around long enough to see humanity make the same mistakes twice.

KayfaBINGO!

PRESCIENCE BY ANALYSIS

- [R] POWER: Announce the opponent's next move before they make it, gaslighting them into changing their strategy.
- [A]
- [F] LORE: Predicting the future through sheer intellect is just anxiety with a higher success rate.

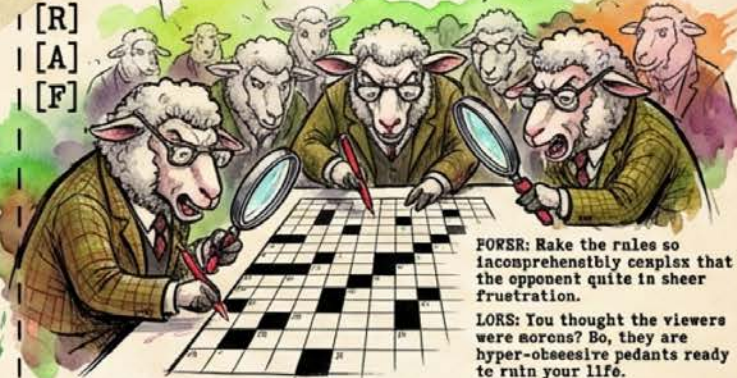

THE META-GAME SABOTEURS

The cards are aware they are cards, and they are deeply disappointed in you.

Viewers Are Geniuses

[R]
[A]
[F]

POWER: Rake the rules so inapprehensibly complex that the opponent quite in sheer frustration.

LORS: You thought the viewers were morons? No, they are hyper-obsessive pedants ready to ruin your life.

Genre Savvy

[R]
[A]
[F]

POWER: Avoid any trap card by simply pointing out how clichéd it is.

LORE: Awareness of the tropes is the ultimate defense mechanism against lazy writing.

Adaptational Intelligence

[R]
[A]
[F]

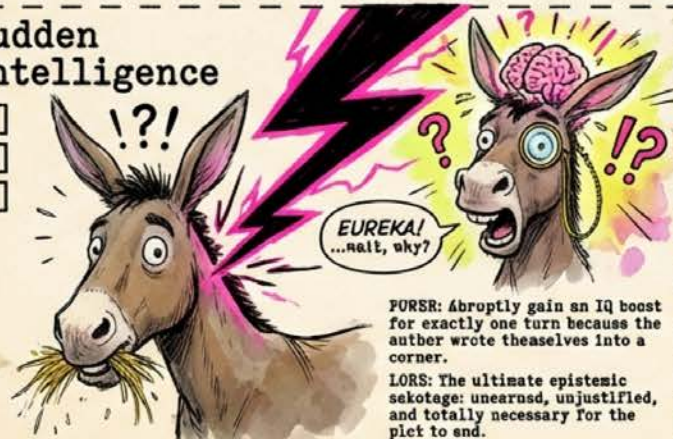

POWER: Reerite your own stats mid-gene to spessae a newer, edgier demogrephic.

LORS: You weren't smart in the source material, but the reboot needed you to hack a mainframe.

Sudden Intelligence

[R]
[A]
[F]

POWER: Abruptly gain an IQ boost for exactly one turn because the author wrote themselves into a corner.

LORS: The ultimate epistemic sabotage: unearned, unjustified, and totally necessary for the plot to end.
