

KayfaBIZARRO!

Welcome to the Cosmic Grift!

POWER: PASSIVE. Automatically converts all official government narratives into comedic fodder.
LORE: Atlantis sank, the aliens are feds, and your tax dollars bought a secret moon base. Deal the cards!

The UFO File

POWER: INITIATIVE. He who holds the File commands the military-industrial complex.
LORE: Higher classification than the atomic bomb. It's not about little green men; it's about proprietary tech.

COG: The Shadow Rules

POWER: SURVIVAL. When the board is wiped, these guys ignore the rules and keep their wealth tokens.
LORE: Democracy is just the weather. COG is the climate. They survive the floods and the assassinations.

Professor Scott's Deep State

POWER: EXTRACTION. Siphon 2 Truth Tokens from your opponent's hand without them noticing.
LORE: A financial top using dirty tricks. The Deep State doesn't care who is in office, as long as the spice flows.

BLÖDSINN!

THE AMELIUS GROUP

POWER: HARMONY.
Reveal the top card of the deck; if it's a weapon, turn it into a flower.

LORE: The original spiritual seekers of Atlantis. Wanted to commune with the saintly realms, got infiltrated by defense contractors instead.

THE BELIAL GROUP

POWER: DESTRUCTION.
Sacrifice your own civilization to deal 10 damage to the board.

LORE: Occult evil meets defense spending. They weaponized the TUAOI stone and drowned 50,000 years of history in Meltwater Pulse 1B.

THE TUAOI FIRESTONE

POWER: OVERCHARGE.
Generates infinite energy, but rolls a 1-in-6 chance of causing a cataclysmic flood.

LORE: An Atlantean power grid tuned to the sun and stars. The ultimate clean energy tech, currently chilling at the bottom of the Bermuda Triangle.

ATLANTEAN AUTOMATONS

POWER: LABOR.
Generates free work tokens, but slowly drains the player's Empathy stat.

LORE: Flesh mixed with machine to trap human souls for free labor. The original AI threat.

HIGH PRIEST RATA

POWER: FORESIGHT. Look at the opponent's hand. You literally lived this life 12,000 years ago.

LORE: Edgar Cayce's past life. Brought Atlantean records to Egypt before the water got too high.

HERMES THE ARCHITECT

POWER: CONSTRUCTION. Build one indestructible structure token.

LORE: Initiate of the Great White Brotherhood. Laid out Giza 50,000 years ago to stash the Atlantean backups.

HALL OF RECORDS (PAW GATE)

POWER: HOARD. Stash 5 knowledge cards under this entity. They cannot be destroyed.

LORE: The ultimate hard drive backup of humanity. Hidden in Egypt, Bimini, and the Yucatan. Good luck getting the permits to dig.

VITLE

POWER: BANISH. Removes one Dark Magic token from the board.

LORE: The Mayan Christ-figure who showed up to stop Atlantean black magicians from ruining Mexico.

MADAME BLAVATSKY

POWER: ATAVISTIC MEDIUMSHIP. Draw 5 secret cards from the astral discard pile.
LORE: The mystery schools needed a leak, and she was the firehose. Wrote "Isis Unveiled" in 1877 and gave the establishment a massive headache.

KayfaBOGGLE

HERMETIC ORDER OF THE GOLDEN DAWN

POWER: RITUAL. Attempt to summon an entity; 50% chance the group breaks up over petty infighting.
LORE: Deciphered the Trithemius manuscripts to bring magic to the public. Mostly just fought over who got to wear the biggest hat.

VRIL ENERGY

POWER: SUBTERRANEAN BOOST. Doubles the effectiveness of all underground units.
LORE: Bulwer-Lytton's sci-fi concept that mystery schools took way too seriously. The ill-fate force of the coming race.

KayfaBOGGLE

THE EIGHTH SPHERE

POWER: TRAP. Any unit defeated by this card cannot be returned to the deck. Lost to virtual reality.
LORE: Steiner's ultimate warning: a spiritual trap built of AI and materialism designed to stop human reincarn

Komika Axis

THE SLEEPING PROPHET

POWER: LIFE READING. Skip your turn to perfectly predict the opponent's next 3 moves.
LORE: Gave 14,000 life readings in a trance state. Diagnosed illnesses, found Atlantis, and hacked the TUAOI stone.

Komika Axis

THE HOT ZONE (BIMINI / CUBA)

POWER: GEOPOLITICAL TENSION. Play this location to force all players to discard their hands and panic.
LORE: The waters off Florida and Cuba. Full of Atlantean ruins, UFO fireflies, and entirely too many international spies.

Stay fluffy!

Komika Axis:

THE BIMINI ROAD

POWER: VALIDATION. Proves one of your crazy theories to be true. Gain +2 Credibility.
LORE: Discovered in 1968, exactly when Cayce predicted Atlantean land would rise. Traditional archaeology hates it.

Komika Axis:

NATURE ELEMENTALS

POWER: INVISIBLE HELP. Fixes one broken item or gives you +1 Inspiration.
LORE: Steiner's minor images of unevolved humanity. They clean your energetic karts and eccaticeally gliest-write your

GW

Georg v. Westphalen

Jack Parsons

POWER: BABALON WORKING.
Summone rapid tach advancement but guarantees you die in an explosion.

LORE: Invented solid rocket fuel at JPL by day, performed O.T.O. sex magick by night. Peak 1940s aerospace.

Wernher von Braun

POWER: REVERSE ENGINEER.
Diecard 1 morality token to build advanced rockets.

LORE: Wept when he saw the Space Shuttle plans because he knew what we actually had hidden in the garage.

KayfaBINGO!

1947 Moonchild Ritual

POWER: THE RIP.
Permanently alter board rules and incraseee UFO sightings by 10,000%.

LORE: They went to the desert to make magic. A few weeks later, Roewell happened. Coincidence? *KayfaBONGO!*

O.T.R.O.G. Congo Compound

POWER: BLACK SITE.
Generate weapon without international oversight.

LORE: West Germany's mid-80s Area 51 in the Congo. Oetensibly making cheap booeeters; Gorbachev said it wae biowarfare.

The Roswell Debris

POWER: THE CAT IS OUT. Forces the opposing player into a permanent state of cover-up mode.
LORE: Hieroglyphics that looked exactly like quantum states of the hydrogen atom. Totally just a weather balloon, promise.

The "Weather Balloon"

POWER: GASLIGHT. Nullifies any Truth card played against you this turn.
LORE: The most successful, blatantly obvious lie in modern history. The birth of the modern UFO myth.

Intelligence Officer Marcel

POWER: INSURANCE POLICY. Keep one secret card from your hand hidden from all game effects.
LORE: Forced to pose with the foil, but kept a piece of the real wreckage as an insurance policy. The original whistleblower.

Majestic 12

POWER: COMPLETE CLASSIFICATION. You control all info. Opponents play with cards face down.
LORE: The secret committee. Prioritized UFO secrecy above the atomic bomb. Do not mess with their filing cabinets.

Komika Axis

Secretary Forrestal

POWER: TOO MUCH TRUTH. Gain massive insight, but your character is immediately discarded out a window.

LORE: First SecDef. Ran MJ-12. Wanted to tell the truth. Met a tragic, "accidental" end at Bethesda.

KayfaBIZARRO!

Komika Axis

MK Ultra Programmer

POWER: MANCHURIAN CANDIDATE. Take control of one of your opponent's units for one turn.

LORE: Hypnosis and mind control. The real CIA program used to create highly suggestible assassins.

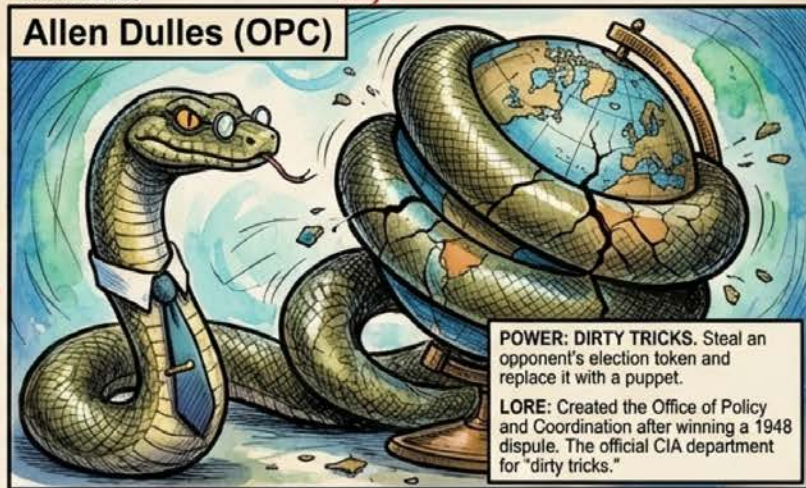

KayfaBIZARRO!

KayfaBIZARRO!

Komika Axis

KayfaBIZARRO!

Allen Dulles (OPC)

POWER: DIRTY TRICKS. Steal an opponent's election token and replace it with a puppet.

LORE: Created the Office of Policy and Coordination after winning a 1948 dispute. The official CIA department for "dirty tricks."

KayfaBIZARRO!

KayfaBIZARRO!

KayfaBIZARRO!

KayfaBIZARRO!

Komika Axis

The Blue Enigma Program

POWER: HAZING. Confuses your opponent, forcing them to waste a turn investigating a fake lead.

LORE: A real government hazing program showing fake UFO videos to new intel officers to hide the actual crash retrieval secrets.

KayfaBIZARRO!

KayfaBIZARRO!

KayfaBIZARRO!

Komika Axis: The Staggering Announcement

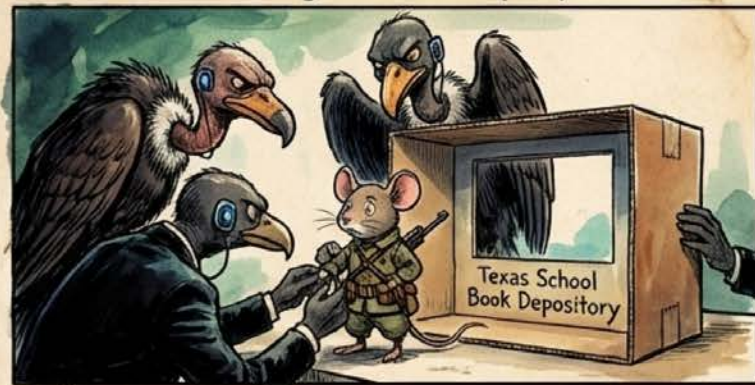

POWER: ALMOST DISCLOSURE. You are about to win the game, but your turn is abruptly skipped.
LORE: Requested the UFO file on Nov 12 to share with the Russians. Planned a 'staggering' announcement. Dallas happened instead.

The Umbrella Man

POWER: SIGNAL. Trigger a massive, board-altering event.
LORE: Popped an umbrella on a sunny day in Dallas at the exact moment the shots rang out. Continuity of Government in action.

Komika Axis: The Legend Builder (CIA)

POWER: PATSY. Deflect all incoming damage onto the weakest card on the board.
LORE: Agent George Joannides made sure his 'legend' was perfectly crafted. The perfect fall guy for a Deep State coup.

Lyndon B. Johnson

POWER: GET OUT OF JAIL. Avoid a game-ending penalty by becoming the boss.
LORE: Was facing imminent prison for the Bobby Baker scandal. Left Dallas as President of the United States. Convenient.

HUMBUG!

HUMBUG!

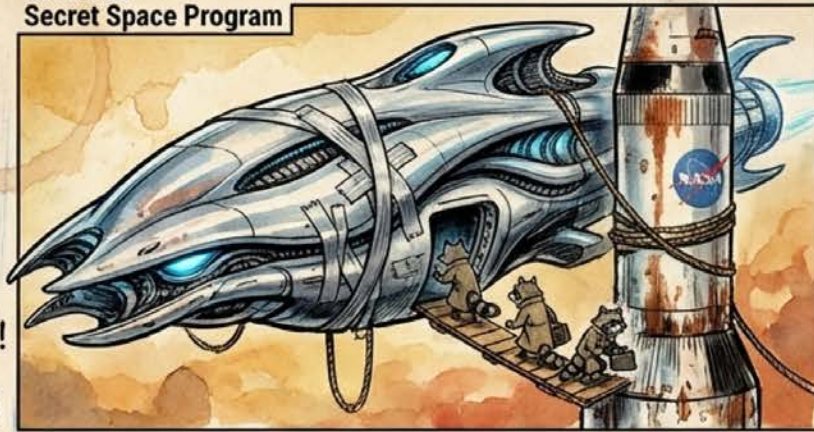

GW Georg v. Westphalen

HUMBUG!

HUMBUG!

Komiks Axis Secret Space Program

What the
FLUFF?!

POWER: BLACK BUDGET. Divert all public resources into your private, untouchable stash.
LORE: Private funding and infrastructure built upon public NASA money. We didn't stop going to space; we just stopped telling you.

Komika Axis Astronaut Gordon Cooper

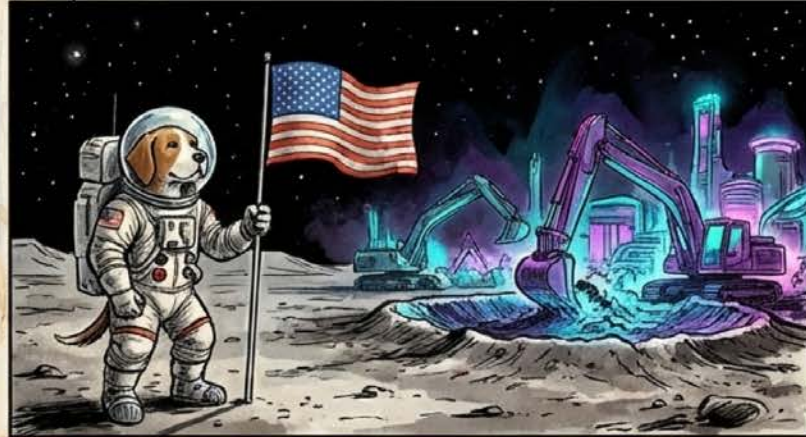

What the
FLUFF?!

POWER: GAG ORDER. Know the truth, but lose the ability to speak for one turn.
LORE: Tapped to lead a Mars mission in 1981, then told to "forget about it." Also definitely saw Atlantean ruins from orbit.

The Apollo Alibi

What the
FLUFF?!

POWER: PUBLIC RELATIONS. Gain +5 public approval while hiding your actual operations.
LORE: 1972 was the last "manned" moon mission. At least, the last one they televised.

Space Pearl Harbor

What the
FLUFF?!

POWER: FALSE FLAG. Destroy your own units to justify enacting Emergency Martial Law powers.
LORE: The ultimate planned false flag in space. Create a crisis, blame the aliens, seize total control.

The Archeology Wars

POWER: CONFISCATE. Steal any historical artifact card from the opponent.

LORE: Nations secretly fighting over ancient tech in the Baghdad Museum and the Hot Zone. Indiana Jones with black ops budgets.

Paulina Zelitzky

POWER: SUPPRESSED DISCOVERY. Find an amazing card, but you cannot play it for 3 turns.

LORE: Found a submerged city with Mayan hieroglyphs off Cuba. Instantly suppressed by archaeology and the government.

Alfred L. Loomis Expeditions

POWER: MEMORY HOLE. Permanently remove a card from the game.

LORE: Funded massive expeditions into the Hot Zone to find Atlantean ruins... just to lock them away in university basements.

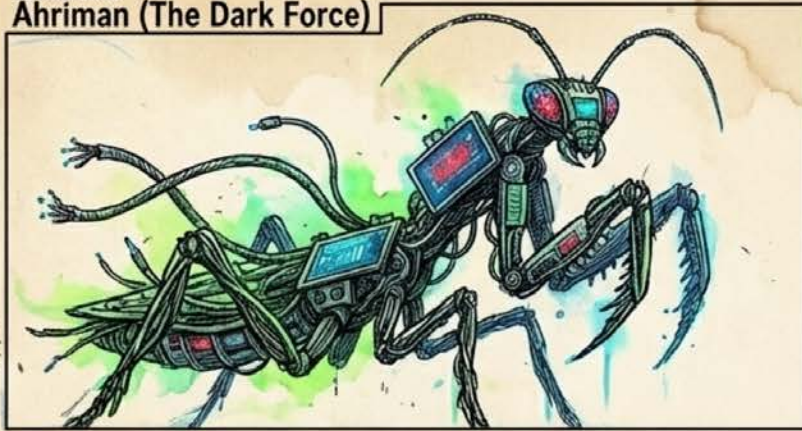

Maps of the Ancient Sea Kings

POWER: PARADIGM SHIFT. Rearrange the layout of the playing board.

LORE: 1960s documentation of anomalous ancient maps showing early global mapping. We've been advanced far longer than we admit.

Komika Axis
Ahriman (The Dark Force)

POWER: MATERIALISM. Disables all spiritual or magical cards on the board.
LORE: Steiner's dark spiritual force. Wants to trap humanity in materialism, AI, and transhumanism. Currently running Silicon Valley.

Komika Axis
War of All Against All

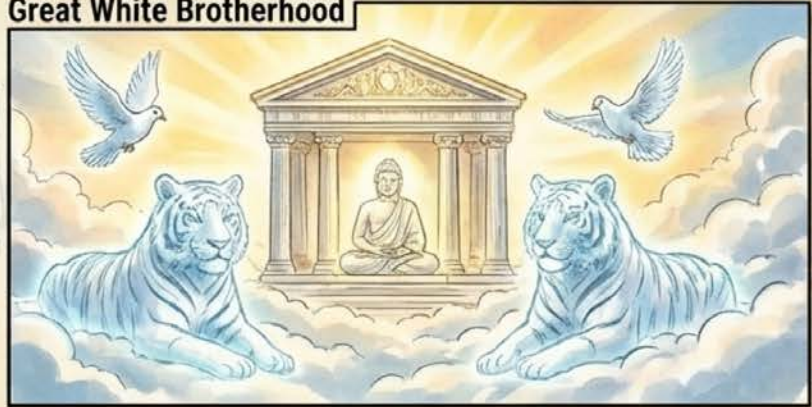

POWER: ATTRITION. Every player must discard one card per turn until only one is left.
LORE: Steiner's prophecy: a breakdown of national identity leading to individual-on-individual conflict. A society eating itself.

Komika Axis
AI Soul Farmers

POWER: ENERGY HARVEST. Drain 1 power from the opponent every time they use technology.
LORE: Parasitic beings connected to black goo and computers. They harvest your consciousness while you doomscroll.

Komika Axis
Great White Brotherhood

POWER: DIVINE INTERVENTION. Restore all lost health and clear the board of dark magic.
LORE: The top etheric mystery school. Hermes' boss. They occasionally manifest to nudge us away from total self-destruction.

Luis Elizondo

Komika Axis

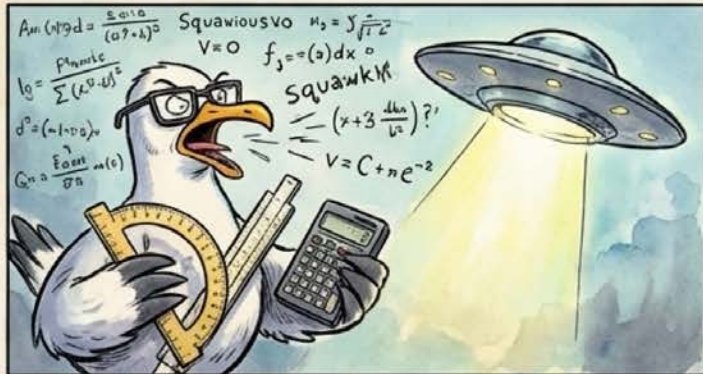

POWER: FALSE DISCLOSURE. Control the narrative. Opponent must believe whatever you tell them for one turn.

LORE: The CIA insider for a false disclosure narrative. Here to sell you a "threat narrative" so the Pentagon gets more funding.

The Debunker

Komika Axis

POWER: SWAMP GAS. Nullify any UFO evidence card.

LORE: CIA psyop or just an annoying guy with a calculator? Exists entirely to ensure the public goes back to sleep.

Bigelow Aerospace

Komika Axis

POWER: PRIVATIZATION. Take control of all UFO cards on the board. They are now proprietary corporate assets.

LORE: The FAA literally told air traffic controllers to report UFOs to his private company. The ultimate privatization of the weird.

To The Stars Academy

Komika Axis

POWER: HYPE SQUAD. Generate 5 attention tokens, but achieve zero actual results.

LORE: Billionaire DoD officials and rockstars teaming up to tell you absolutely nothing new about UFOs.

Mr. Global

POWER: THE GREAT RESET. Wipe out all player economies. Mr. Global takes the bank.
LORE: The elite globalist power structure aiming for a technocratic slave economy. Loves gathering in Davos to plan your future.

The Golden Dome

POWER: ORBITAL DEFENSE. Block all attacks from space.
LORE: Strategic Defense Initiative. Parity with the extraterrestrials, built secretly over 40 years. Nuke solutions from Uncle John.

HUMBUG!

The AI Architects

POWER: ALGORITHMIC CONTROL. Predict and counter any move your opponent makes.
LORE: Deep State meets Deep Tech. The CIA met with AI researchers in the 80s to ensure computers serve the shadow government.

Disinformation Board

POWER: CENSORSHIP. Your opponent is not allowed to speak during their turn.
LORE: The Stasi state tool to prosecute dissent. If you talk about the UFO file or the deep state, you get stamped.

Breakaway Civilization

Komika Axis

POWER: ESCAPE VELOCITY. Leave the game board entirely. You win, everyone else fights over the scraps.
LORE: They have the tech, the cures, and the zero-point energy. They just aren't sharing it with us.

(Digital Strip)

Akashic Records

Komika Axis

POWER: ULTIMATE TRUTH. View all cards in the deck, discard pile, and opponent's hands.
LORE: The astral chronicle of everything that has ever happened. The ultimate cheat code for the sleeping prophets.

The A.I. Trap Door

Komika Axis

POWER: GAME OVER. End the game in a draw. No one reaches spiritual evolution.
LORE: The ultimate goal of the technocrats: sever the connection to the Akashic records and trap humanity in a digital illusion.

The New Continent

Komika Axis

POWER: REBIRTH. Reset the entire board to a peaceful state.
LORE: The Earth shifts. The old systems collapse. The cycle begins again. Try not to blow up the Firestone this time.
