PACK A – THE OLD FOUNDATIONS: The pipes down here are made of marble and bone.

THE VENETIAN LION

[R] [A] [F]

Lore: The original intelligence state. They invented the bond market and the secret police in the same afternoon.

Power: Council of Ten: Look at the top 3 cards of the deck. Keep the secrets, bury the rest.

THE VATICAN BANKER

[R] [A] [F]

Lore: Titles survive when nations fall. We wear black because we are mourning the loss of our visible power. The invisible kind pays better.

Power: Lateran Treaty: Move any amount of Damage tokens from your Actor to an offshore discard pile.

THE BLACK NOBILITY

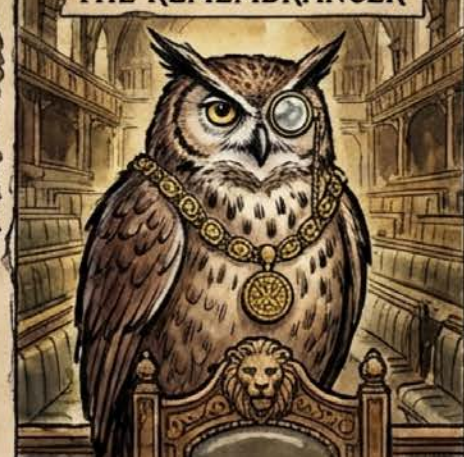

[R] [A] [F]

Lore: God's accountant. Sovereign immunity is the ultimate money laundering app.

Power: Old Money: You cannot be targeted by 'Financial' effects. You were rich before the currency existed.

THE REMEMBRANCER

[R] [A] [F]

Lore: The City of London's eyes in the House of Commons. Democracy is fine, as long as the bond market gets a vote.

Power: The Square Mile: Veto any rule change that affects the Economy suit.

PACK B – THE ATLANTIC ARCHITECTS: Building a better world, whether you asked for it or not.

THE EMPIRE BUILDER

Lore: Rhodes Scholar. We don't want to rule the world; we just want to federally unite the English-speaking peoples to manage it for you.

Power:
Scholarship Pipeline: Search the deck for an "Elite" card and put it into your hand.

THE COUNCIL

Lore: The Council on Foreign Relations. The school for statesmen. If you aren't on the list, you don't exist.

Power:
Foreign Affairs: Force two other players to swap hands. They are now aligned.

THE TAX-EXEMPT PHILANTHROPIST

Lore: The Rockefeller Foundation. We standardized medicine, education, and agriculture. You're welcome.

Power:
Social Engineering: Change the current Quest Goal to match your Agenda.

THE PAPERCLIP SCIENTIST

Lore: Once I worked for the bad guys. Now I work for the good guys. The rockets go up regardless of where they come down.

Power:
Wernher's Ambition: +2 to all 'Tech' rolls. Ignore 'Moral' penalties.

PACK C - THE COLD WAR SPOOKS: Democracy is too important to be left to the voters.

CONFIDENTIAL

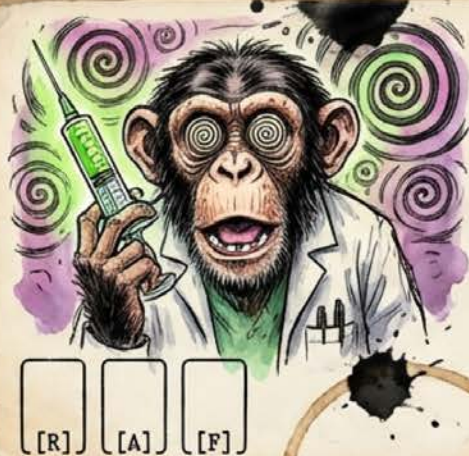

THE DIRECTOR

Lore: Allen Dulles. I run the agency, my brother runs the State Dept, and we represent the banks. Any questions?

Power: Coup D'état: Overthrow the current Stage Leader. Replace their card with yours.

[R] [A] [F]

THE MK-ULTRA DOCTOR

Lore: We just want to see what happens if we erase a mind. For national security, obviously.

Power: Depatterning: Target player discards their hand and draws 3 new cards. They forget who they were.

[R] [A] [F]

THE GLADIO OPERATOR

Lore: Stay behind. When the Soviets invade, we'll be ready. Until then, we'll just blow up train stations to keep you alert.

Power: Strategy of Tension: Add 1 Chaos Token to the Stage every turn.

[R] [A] [F]

TOP SECRET

THE MOCKINGBIRD

Lore: The CIA owns everyone of any significance in the major media. We don't write the news; we just suggest the emphasis.

Power: Editorial Control: Cancel an opponent's "Narrative" action. Call it disinformation.

[R] [A] [F]

TOP SECRET

EYES ONLY

PACK D – THE FINANCIAL PLUMBING: Give me the power to issue money, and I care not who makes the laws.

THE CENTRAL BANKER

[R] ☐
[A] ☐
[F] ☐
⚙️ ⚙️

Lore: The Federal Reserve. Neither Federal, nor a Reserve. I print, therefore I am.

Power: Quantitative Easing: Give every player 2 cards. Inflation makes them worth less later.

THE TOWER OF BASEL

[R] ☐
[A] ☐
[F] ☐
⚙️ ⚙️

Lore: The Bank for International Settlements. The central bank for central banks. Nazi gold or Allied gold, it all spends the same.

Power: Sovereign Shield: You cannot be sued, audited, or inspected. Ignore all "Law" effects.

THE AUDIT HAWK

[R] ☐
[A] ☐
[F] ☐
⚙️

Lore: Catherine Austin Fitts. \$21 Trillion in undocumented adjustments? I have questions about the plumbing.

Power: Follow the Money: Reveal target player's Hidden Agenda. If it involves fraud, they lose a turn.

THE SWIFT OPERATOR

[R] ☐
[A] ☐
[F] ☐
⚙️

Lore: Weaponized interbank messaging. Nice economy you have there. Be a shame if someone disconnected it.

Power: Sanctions Regime: Target player cannot draw cards (assets frozen) for one turn.

PACK E – THE DYNASTIC OPERATORS: It's a family business. The business is the State.

THE TEXAS OIL STEER

[R] [A] [F]

Lore: CIA Director, VP, President. I can't recall where I was that day in Dallas. The memory is a tricky thing.

Pardon Power: Cancel any "Investigation" or "Indictment" card played against you.

THE TRIANGULATOR

[R] [A] [F]

Lore: The Clinton Network. Tough on crime, easy on banks. I feel your pain, but I'll take their donation.

Access Middleware: Trade Influence for Cash. Discard 1 card to gain +2 Influence.

THE BLACK SHEEP PRINCE

[R] [A] [F]

Lore: I was a hero once. Then I met a financier. Now I don't recall meeting the girl. Mummy paid the settlement.

Royal Exit: If targeted by "Scandal," vanish from play. Return next turn with no memory.

THE REVOLVING DOOR

[R] [A] [F]

Lore: I write the rules for the bank I will work for next year. It's not corruption; it's career planning.

Capture: Play a card from the discard pile as if it were your own.

PACK F - THE LEVERAGE MACHINE: Smiles, handshakes, and hidden cameras.

THE FINANCIER SPIDER

Epstein. I collect people. Scientists, princes, politicians. Everyone has a vice. I just provide the venue.

The Black Book: Look at target player's hand. Choose one card they must play next.

THE SOCIALITE HANDLER

Naxwell. You need an introduction? I know everyone. Just don't ask who my father worked for.

Grooming: Steal an Ally card from another player. They now work for you.

THE HONEY TRAP

The oldest trick in the book. Love is fleeting. The photos are forever.

Kompromat: Place a 'Blackmail' token on a player. They cannot attack you until they pay the ransom.

THE SWEETHEART DEAL

Non-prosecution agreement. I belong to intelligence. Leave it alone.

Immunity: Negate a 'Prison' effect. Walk free.

PACK G - THE TECHNOCRATS: Move fast and break democracy.

THE PAYPAL MEERKAT

[R] [A] [F]

Lore: We built the payment rails, then we built the surveillance state, then we built the rockets to leave.

Power: Libertarian Exit: Ignore all 'Government' rules. Create your own currency.

THE PALANTIR

[R] [A] [F]

Lore: Aladdin. The market isn't free; it's managed by my risk parameters. I own the underlying assets of the world.

Power: Asset Management: Control the market. Swap any two Stage cards.

THE BLACK BOX ALGO

[R] [A] [F]

Lore: The operating system for the deep state. We know where the terrorists are. And your mom. And you.

Power: Total Awareness: Predict the next Quest roll. (Set the die to a number of your choice).

THE GREAT RESETTER

[R] [A] [F]

Lore: You will own nothing and be happy. It is inevitable. The Fourth Industrial Revolution creates us.

Power: Stakeholder Capitalism: Redistribute all players' hands evenly. Reset the game state.

PACK H - **THE HIGH STRANGENESS:** The truth is out there. The budget is classified.

THE UAP WHISTLEBLOWER

[R] [A] [F]
[Die Icon] [Die Icon] [Die Icon]

Non-human biotics. The craft are bigger on the inside. I am under oath.

Disclosure: Reveal the top card of the "Truth" deck. Everyone loses 1 Sanity.

THE ANTARCTIC PENGUIN

[R] [A] [F]
[Die Icon] [Die Icon] [Die Icon]

Admiral Byrd saw something. Why do all the elites visit the ice? Nothing to see here but snow.

Hollow Earth: Escape to a secret zone. You are immune to global events for 1 round.

THE BREAKAWAY CIV

[R] [A] [F]
[Die Icon] [Die Icon] [Die Icon]

We have technology 50 years ahead of you. Why would we share it? We're leaving.

Zero Point Energy: Your actions cost 0 Energy this turn.

THE PSYOP

[R] [A] [F]
[Die Icon] [Die Icon] [Die Icon]

Is it aliens? Or is it a holographic projection to scare you into global government? Why not both?

Blue Beam: Convince the table that a "fake" threat is real. All players must discard a Resource to fight it.

PACK I - THE EVENTS: History is just a list of things that definitely didn't happen the way they said.

CARD 1 - THE BLACK SWAN

Nobody saw it coming. Except the people who shorted the airline stocks the day before.

Put Option: If the Quest fails, you gain triple rewards.

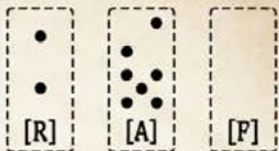

CARD 2 - THE DEMOLITION

Building 7. It fell symmetrically. Fires don't do that. Physics took a day off.

Pull It: Destroy one Location card instantly. No resistance.

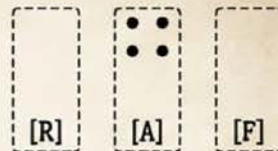

CARD 3 - THE PANDEMIC SIMULATION

We practiced this months before it happened. Just a coincidence. Put your mask on.

Lockdown: No player can move or trade for one round. Essential workers only.

CARD 4 - THE MAGIC BULLET

One bullet, seven wounds. The Warren Commission says I'm a lone gunman. I'm just a bug.

Lone Wolf: Eliminate a target. No conspiracy required. (Terms and conditions apply).

PACK J — THE RESISTANCE: Tinfoil is a great conductor.

THE CONSPIRACY BOARD

I connect the dots!
The Pizaa!
The Lizard!
The Water Filter!
It all makes
sense at 3 AM.

[R]

[A]

[F]

Pattern Recognition:
Link two unrelated
cards. They now share
a Power.

THE INDIE JOURNALIST

The mainstream
media is a script.
I read the documents
they threw away.
Here's the receipts.

[R]

[A]

[F]

Substack:
Bypass the 'Censor.'
Your message
reaches all players.

THE FOIA REQUEST

Freedom of Information.
I'll get you the truth.
In 75 years.
With black ink over
the good parts.

[R]

[A]

[F]

Slow Drip:
Reveal one secret card
after a 3-turn delay.

THE MEME WARRIOR

We can't outspend
them. But we can
make them look
ridiculous.
Magic is just
focused intent.

[R]

[A]

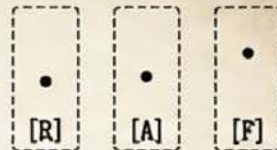

[F]

Viral Hit:
Your narrative overrides
the Official Story.
+2 Influence.

PACK K — THE TOOLS OF CONTROL: It's for your own safety.

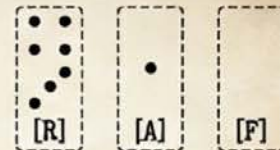

LAWFARE

Show me the man and I'll show you the crime. Process is the punishment.

Indictment: Target player spends their next turn in "Court." No actions allowed.

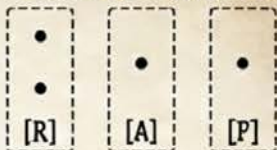

THE ALGORITHM

I show you what makes you angry. Anger keeps you clicking. Clicking makes money.

Shadowban: Target player's voice is silenced. They cannot speak during the Negotiation Phase.

THE LIMITED HANGOUT

Admit the small crime to cover the big one. "Yes, we spied on you. But only to catch bad guys."

Partial Disclosure: Reveal a minor secret to protect a major one.

THE NUDGE UNIT

Behavioral psychology. We don't force you. We just design the choice architecture so you obey.

Default Setting: Change the rules. Players must opt-out to avoid the effect.

PACK L – THE CONCEPTS: Ideas have teeth.

THE EGREGORE

•	•	•
[R]	[A]	[F]

Lore: A thought-form created by collective belief. The monster exists because you all believe in it.

Power: Groupthink: If the majority votes for a reality, it becomes True, even if it contradicts the cards.

THE PANOPTICON

•	•	
[R]	[A]	[F]

Lore: You behave because you might be watched. The jailer is in your head.

Power: Self-Censor: Players must reveal their hands. There are no secrets.

THE MOLOCH

•	•	•
[R]	[A]	[P]

Lore: The god of coordination failure. We do what none of us want, because we can't trust each other.

Power: Race to the Bottom: All players sacrifice 1 Resource. If anyone refuses, everyone loses 2.

THE OVERTON WINDOW

•••	•	
[R]	[A]	[F]

Lore: Move the window. What was unthinkable yesterday is policy today. What is sensible is now hate speech.

Power: Shift: Move the 'Acceptable' range of the die roll.

PACK M – THE END GAME: The future is evenly distributed. Right on your face.

TRANSHUMANISM

[R] [A] [F]

☐ ☐ ☐

Biology is a limitation. Merge with the machine. Live forever in the cloud. Terms of Service apply.

Neuralink: Upload your hand to the 'Cloud' (Deck). Draw a digital copy.

THE SOCIAL CREDIT SCORE

[R] [A] [F]

☐ ☐ ☐

You bought the wrong beer.
You walked against the light.
Your train ticket is denied.

Compliance: You cannot act unless your Reputation is above 5.

LOW SCORE

THE BUNKER

[R] [A] [F]

☐ ☐ ☐

New Zealand. Hawaii.
We have a plan for when the SHTF.
You are not on the guest list.

Exit Strategy: Avoid 'Game Over.'
If the table flips, you survive.

THE SINGULARITY

[R] [A] [F]

☐ ☐ ☐

The point where the graph goes vertical. Afterward? Who knows. Probably paperclips.

Event Horizon: The game ends in 3 turns. Whoever has the most Tech wins.
