NO MORE QUESTS!

In IM Fell English SC

Seriously,
just a rock!

Electricity,
ready to stoop...

NOT a philosopher's stone!

Reality Check!

Cancels Ideology.
Forces concrete
description of reality
(e.g., "The stone is cold").

You wanted gold?
In this economy?

In IM Fell English SC

Finally! Closure!

Heavy
emotional
baggage
inside

Send it already!

Resolves a Past Life conflict.

IM Fell English SC

Lost but making good time!

Where are we going? Yes!

No North,
only vibes.

Allows navigation without a destination.

IM Fell English SC

META!

It's YOU,
dummy!

Break the
fourth wall

Home sweet home?

Shows the player,
not the character.

VICTORY CONDITION: NARRATIVE SHIFT.

META
ENDING!

To win, every player must
speak one sentence:
“What I would tell differently
in the next timeline.”

REBOOT
TIME!

*“The quest was never to find the truth.
It was to see who you became when the
truth fell apart.” – Uncle FrizzleBob.*
