What the FLUFF?!

What the FLUFF?!

Lvl 1: The Foreclosed

POWER: You read the eviction notice. You feel a small fire start in your chest.
LORE: The crown takes the field. The field remembers.

KayfaBOGGLE!

Lvl 3: Of the Borrowed Torch

POWER: You set fire to what they built on your field.
LORE: They paved a holiness over and called it progress.

Lvl 2: The Pitchfork-Sworn

POWER: You take what was once a farming tool and use it for something else.
LORE: Every revolt starts with a tool that was always a weapon.

BLÖDSINN!

EVICION NOTICE

Lvl 4: The Rebel Rouser

POWER: You cause a revolt. Chant a rebel rant; move the Quest Die ± 2 .
LORE: A man with a field becomes a man with a mob, and neither one was the goal.

Macho Mercenarius, of the Open Coin-Purse — Patron of the Pen That Signs Anything, Honorary Friend of Whoever Pays Last.

Lvl 1: The Cheap Blade

POWER: You take the next contract. You don't read the small print.
LORE: A blade for hire is honest in a way that a blade for principle is not.

KayfaBOGGLE!

HUMBUG!

Lvl 3: Of the Four Contracts

POWER: You take contracts from all four spheres at once. Nobody knows.
LORE: Loyalty is for the man who can afford it.

HUMBUG!

Lvl 2: The Reputation

POWER: You raise your rates. The contracts come faster.
LORE: A reputation pays better than a sword and shows up faster.

Lvl 4: The Last Talker

POWER: You read the contract. The contract is the only thing that talks back.
LORE: To win every job is to lose every name that called you something else.

Tinkerina Tüftelfeuer, of the Loud Workshop — Patron of the Bellows That Won't, Honorary Engineer of the Explanatory Explosion.

Lvl 1: The First Bellows

POWER: You build the small device. The small device works.
LORE: A first device that works is a promise the workshop has not yet broken.

KayfaBONGLE!

KayfaBINGO!

KayfaBOGGLE!

Lvl 3: Of the Self-Explaining Engine

POWER: You build the device that explains itself.
LORE: A machine that explains itself by exploding has explained more than most teachers.

Lvl 2: The Second Bellows

POWER: You build a bigger device. The bigger device explodes.
LORE: Scale is the workshop's enemy and its only honest tutor.

What the FLUFF?!

Lvl 4: The Explosion Herself

POWER: You are the explosion. The party loves you and fears you.
LORE: The body that survived its own invention has no use for warnings anymore.

What the FLUFF?!

Elenra Stillarrow, of the Quiet Bow – Patron of the Trail That Did Not Want to Be Followed, Honorary Bookkeeper of Kills the Druid Did Not Approve.

Lvl 1: The Tracker

POWER: You see the trail others walked past.
LORE: A path is a story. The hunter is its first reader.

Stay fluffy!

Stay fluffy!

Lvl 3: The Tracker of People

POWER: You track the one who asked not to be tracked.
LORE: A trail you find is a question. The asking is sometimes the whole answer.

Lvl 2: The Patient Aim

POWER: You wait. The shot finds itself.
LORE: Patience is a kind of speed nobody has yet measured.

← KayfaBOGGLE!

Lvl 4: The One Who Shot the Deer

POWER: You find what you hunted. You find what you hunted for.
LORE: A perfect shot is a question with no place left to land.
