FRAILTY-FIONA

The Diminishing Reserve

STAT:
Fried Phenotype

POWER: The Brittle-Buff. No stress-shield. Minor infections end the match.
LORE: The Glass Model. Homeostatic reserve so thin that small events trigger system failure.

HOMEOSTENOS-THE-LIMIT

STAT:
Reduced GFR /
Impaired
thermoregulation

POWER: The Narrow-Path. Too much water? Pulmonary edema. Too little? Renal failure.
LORE: Natural organ decline. Normal at rest, collapses under stress.

SARCOPENIA-THE-WITHER

Muscle Loss

STAT:
Low muscle mass
+ grip strength

POWER: The Gravity-Weakness. Melts the motor. Cannot push out of chairs or catch falls.
LORE: Driven by Inflammaging. Type II fibers vanish; fat infiltrates.

MULTI-MORB-MAX

Comorbidity

STAT:
≥ 3 chronic
