GERM WARFARE

GW

Georg v. Westphalen

Imhotep-the-First-Architect

STAT: c. 2600 BC
Ancient Egypt
First named physician.

POWER: The Empirical-Pounding. Moves medicine from Deacon-Dances to recording Match-Data on trauma.

LORE: Established the first systematic approach to trauma, treating the body as a structure to be repaired through observation and craft.

KayfaBINGO!

Galen-the-Dogma-King

STAT: c. 130 AD
Roman Bapire
1,300-year influence.

POWER: The Humoral-Lock. Defines the Four-Humor-Balance. His word becomes the undisputed manual.

LORE: Dominated medical thought so completely that for 1,000 years, no one dared to Dissect-the-Truth to see if his pig-based anatomy books matched the body.

Hippo-the-Oath-Bearer

STAT: c. 460 BC
The Hippocratic Corpus
Primum non nocere.

POWER: The Ethics-Anchor. Creates the Rules-of-the-Ring — the healer must serve the wrestler and do no harm.

LORE: Separated medicine from religion; argued that epilepsy was a natural Brain-Glitch, not a divine curse.

What the FLUFF?!

Avicenna-the-Canon-Master

STAT: 1025 AD
The Canon of Medicine
Standard text until 1650.

POWER: The Logic-Synthesis. Merges Greek-Style with Persian-Insight Into the ultimate Combat-Manual.

LORE: Introduced Clinical-Trials and recognised that Bacteria-Punks could travel through air and water.

Vesali-the-Body-Snatcher

STAT: 1543
De Hunsol Corporis Fabrics
Corrected 200 Galen errors.

POWER: The Dissection-Strike. Smashes Galen-Dogma by physically opening the Wrestler-Body.
LORE: The birth of modern anatomy. Insisted the doctor must be the Observer, not just a reader of dusty books.

Paracels-the-Alchemist

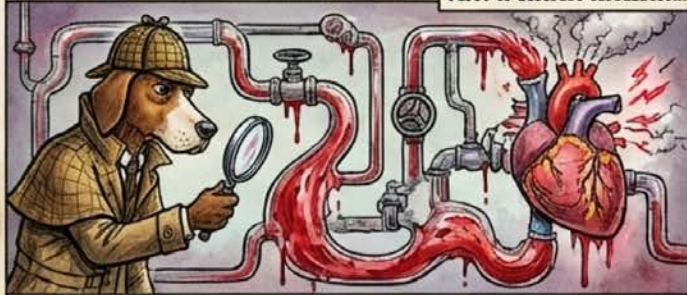

STAT: 1493-1541
Dosis facit venenum
The dose makes the poison.

POWER: The Chemical-Cure. Declares Life-Force is a series of Chemical-Matches needing Metal-and-Mineral allies.
LOBE: Father of Toxicology. Moved medicine from Balancing-Humors to Targeted-Chemistry.

Harvey-the-Pump-Detective

STAT: 1628
De Netu Cordis
First to describe circulation.

POWER: The Circular-Flow. Proves the Blood-River moves in a Closed-Loop with the heart acting as a pump.
LORE: Used math to prove the heart pumps more blood in an hour than the body weighs; blood is recycled, not consumed.

Leeuwen-the-Lens-Maker

STAT: 1670s
First to see Animalcules
200x magnification.

POWER: The Invisible-Reveal. Opens the Micro-Arena, proving a world of tiny wrestlers exists beneath the surface.
LORE: Father of Microbiology. Revealed the invisible enemies hidden from human eyes since the beginning.

GW

Georg v. Westphalen

Jenner-the-Cow-Guard

STAT: 1796
First Smallpox Vaccine
Mortality dropped 30%
to < 1%.

POWER: The Armor-Transfer. Uses Cow-Pox-Gunk from immune milkmaids to give a Permanent-Shield.

LORE: Birth of Immunology. A Weak-Enemy can train the Immune-Army to defeat a Lethal-Monster.

Nightin-the-Lamp-Light

STAT: 1854
Crimean War
Polar Area Diagram.

POWER: The Clean-Arena. Proves Grit-and-Gunk kill more than bullets. Uses Stat-Maps to force sanitation.

LORE: Mother of Nursing & Statistics. The Healing-Environment (Light, Air, Clean) is as powerful as any chemical ally.

KayfaBONGO!

Semmel-the-Wash-Outcast

STAT: 1847
Hand-washing
Puerperal fever deaths
dropped 18% to 1%.

POWER: The Silver-Clean. Realizes doctors carry Death-Particles; demands everyone Wash-with-Lime.

LORE: The Semmelweis Reflex. Mocked for suggesting doctors were killing patients. He found the truth but lacked the Lore-of-Bacteria to explain it.

Lister-the-Spray-King

STAT: 1865
Carbolic Acid
Post-op infection rate
plummeted.

POWER: The Antiseptic-Mist. Uses Carbolic-Acid-Rain to kill Bacteria-Punks before they enter the Wrestler-Body.

LORE: Applied Pasteur's Gera Theory to surgery. Proved Rot (Sepsia) is an invasion from the outside.

Pare-the-Wound-Stitcher

STAT: 1510-1590
Ligatures over cautery.

POWER: The Gentle-Tie. Stops the Boiling-Oil-Torture; starts Tying-the Pipes to stop bleeding without burning.

LORE: Realized Kind-Medicine leads to better Healing-Stats than Aggressive-Trauma-Treatment.

Hunter-the-Experimentalist

STAT: 1728-1793
Father of Scientific Surgery
14,000 specimens.

POWER: The Trial-by-Fire. Insists surgeons must be scientists, even infecting himself to study Match-Progression.

LORE: Moved surgery from Barber-Shop-Craft to Academic-Science via Comparative-Anatomy.

Morton-the-Dream-Maker

STAT: 1846
First public Ether demonstration
Ether Dome.

POWER: The Pain-Mute. Puts the Wrestler into a Deep-Sleep, allowing the Blade-Brigade to work without screams.

LORE: Birth of Anesthesia. Turned surgery from a 3-Minute-Sprint-of-Horror into a Precise-Technical-Art.

Halsted-the-Gloved-Hand

STAT: 1852-1922
Rubber gloves
Radical Mastectomy.

POWER: The Sterile-Barrier. Introduces gloves to protect his Tag-Team-Partner, accidentally creating the Gold-Standard-of-Clean.

LORE: Established the Halstedian-Principles: gentle tissue handling, perfect hemostasis, absolute Arena-Sterility.

MedKayfabe!

KayfaBIZARRO!

KayfaBIZARRO!

HUMBUG!

Ehrlich-the-Magic-Bullet

STAT: 1909
Salvarsan (Compound 606)
Targeted chemotherapy.

POWER: The Targeted-Strike. Floods a Chemical-Dye that kills only the Syphilis-Spirochete without hurting the body.

LORE: Father of Chemotherapy. Proved Chemistry can be a Sniper-Rifle instead of a Shotgun.

Flemin-the-Mold-Hunter

STAT: 1928
Penicillium notstua
The Accidental discovery.

POWER: The Fungal-Shield. Discovers a Eloe-Rald that dissolves Staph-Bacteris-Punks, the first true antibiotic.

LORE: Found the Secret-Weapon nature used to fight its own Micro-Wars, bringing it to the human arena.

Bantin-the-Key-Finder

STAT: 1921
Discovery of Insulin
First patient: Leonard Thompson.

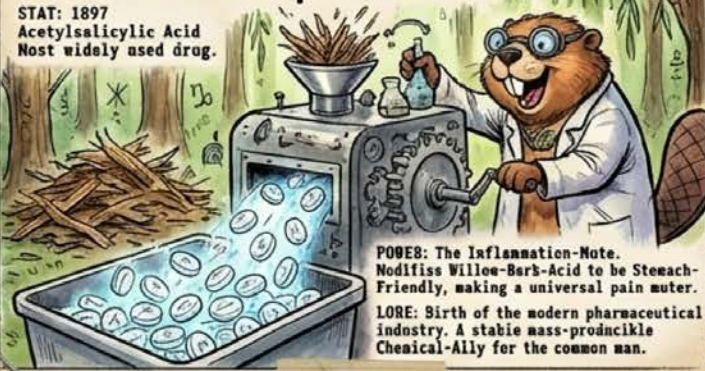

POWER: The Sugar-Unlock. Extracts the Secret-Key (Insulin) so Biabetic-Wrestlers can use their Sugar-Tokens.

LORE: Turned a Lethal-Waste-Watch into a Ckrenic-Watch. Said the patent for \$1 to ensure every wrestler got the key.

Hoffman-the-Aspirin-Maker

STAT: 1897
Acetylsalicylic Acid
Most widely used drug.

POWER: The Inflammation-Note. Modifiss Willow-Bark-Acid to be Stewach-Friendly, making a universal pain muter.

LORE: Birth of the modern pharmaceutical industry. A stable mass-producikle Chemical-Ally for the common man.

KayfaBOGGLE!

Roent-the-Shadow-Catcher

STAT: 1895

Etacevery of X-rays
First isage: His wife's hand.

POWER: The Transparent-Wrestler. Discovers New-Light that passes through flesh but stops at bone, revealing Inside-Secrets without a cut.

LORE: Refused to patent it, calling it a Gift to Humanity. Opened the era of Diagnostic-Inference.

Houns-the-Slice-Master

STAT: 1967

First CT Scanner
Computed Tomography.

POWER: The 3D-Reconstruction. Uses Computer-Math to turn hundreds of X-ray-Shadows into a sliceable 3D-Virtual-Wrestler.

LORE: Transformed isaging from a Flat-Picture into a Volumetric-Map. Created the Donut of Truth.

Curie-the-Radium-Queen

STAT: 1887-1934

Two Nobel Prizes
Polonium and Radium.

POWER: The Atomic-Fire. Discovers elements emitting Constant-Energy used to Burn-the-Tumor-Rimers from the inside.

LORE: Created Petites Curies (Mobile X-ray units) for WWI, bringing Shadow-Catching to the front lines.

Lauter-the-Magnet-Titan

STAT: 1970s

MRI development
No radiation.

POWER: The Resonance-Map. Uses Massive-Magnets to make Water-Protons dance, revealing soft-tissue secrets.

LORE: Magnetic Resonance Imaging. Figured out how to turn Magnetic-Signals into Pictures-of-the-Mind.

KayfaBIZARRO!

KayfaBIZARRO!

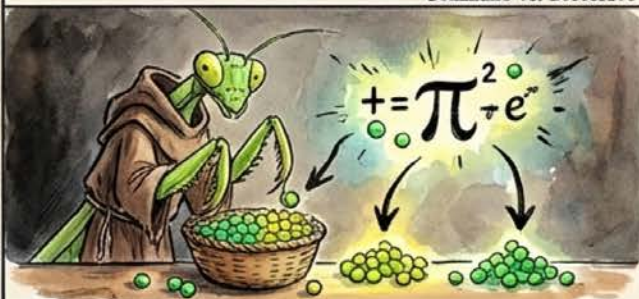

Stay fluffy!

Mendel-the-Pea-Priest

STAT: 1860s
Laws of Inheritance
Dominant vs. Recessive

POWER: The Blueprint-Logic. Discovers the Invisible-Rules of how Traits pass from Coach to Rookie.

LORE: Father of Genetics. Heredity is not a Blending-of-Blood, but a Shuffle-of-Information-Packets.

Mullis-the-Signal-Copier

STAT: 1983
PCR (Polymersase
Chain Reaction)

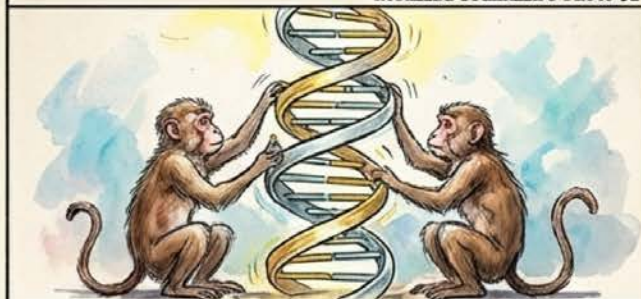

POWER: The DNA-Megaphone. Takes a Single-Tiny-Codes-Scrap and copies it millions of times until the Eneay-Rame is loud.

LORE: Made Genetic-Testing fast and cheap. Allows us to find a Single-Virus-Punk in an ocean of blood.

Wat-son-and-Crick

STAT: 1953
Structure of DNA
Rosalind Franklin's Photo 51

POWER: The Master-Scroll. Reveal the Code-of-Life is a Twisted-Ladder that can unzip and Copy-Itself.

LORE: Found the Physical-Storage of the Source-Code. Unlocked the language of the A, T, C, G wrestlers.

Doudna-the-Code-Editor

STAT: 2012
CRISPR-Cas9
Gene editing

POWER: The Genetic-Scissors. Reaches into the Master-Scroll to Cut-out-a-Glitch, replacing it with a Healthy-Code-Line.

LORE: Era of Programmable-Medicine. We can now Edit-the-Wrestler to fix the Source-Code-Errors of the past.

KayfabONGO!

KayfabONGO!

MedKayfabe!

Snow-the-Map-Detective

STAT: 1854
Broad Street Pump
Cholera outbreak.

POWER: The Source-Finder. Ignores Miasma-Ghost-Theory; maps Match-Deaths until they point to a single dirty pump.
LORE: Father of Epidemiology. Disease-Matches are won by Mapping-the-Data and Removing-the-Source.

Larrey-the-Flying-Ambulance

STAT: 1790s
Napoleonic Wars
Triage and Ambulancess.

POWER: The Rapid-Extraction. Uses Flying-Ambulances to pull wounded out of the Battlefield-Arena mid-flight.
LORE: Father of Emergency Medicine. Inveoted Triage, treating the Most-Injured first, rsgardless of rank cr side.

MedKayfabe!

Salk-the-Polio-Stopper

STAT: 1953
Inactivated Polio Vaccine
Refused to patent it.

POWER: The Iron-Lung-Breaker. Creates a shield stopping the Polio-Paralyaer from taking over Muscile-Engines.
LORE: Could you patent the sun? Prioritized Global-Arena-Safety over personal Token-Profit.

Gor-gas-the-Mosquito-Hunter

STAT: Panama Canal
Yellow Fever and
Malaria control.

POWER: The Vector-Slayer. Realises the antagonist isn't swamp-gas, but the Mosquito-Drone carrying the icursion.
LORE: Cleaned the Arena-Environment, prcvng public health is about controlling the environment as much as the patient.

MedKayfabe!

Call Doc Frizzle!

Bar-nard-the-Heart-Swapper

STAT: 1967
First Human
Heart Transplant.

POWER: The Total-Engine-Swap. Takes a Healthy-Engine from a fallen wrestler and installs it into a new arena.

LORE: Proved the Body-Arena is modular. We can Swap-the-Parts to continue the Match-of-Life.

Ed-wards-the-Life-Starter

STAT: 1978
IVF (In Vitro
Fertilisation)
Louise Brown.

POWER: The External-Creation. Starts the Creation-Match in a Glass-Disk when biological pipes are blocked, tagging the mother in later.

LORE: Unlocked the Secret-of-Conception, giving the Gift-of-Life to those whose natural arenas were closed.

Tu-the-Ancient-Healer

STAT: 1970s
Artemisinin
Malaria treatment
Nobel Prize.

POWER: The Herbal-Recall. Searches Ancient-Chinese-Serolls to find a Plant-Weapon that kills malaria when modern drugs fail.

LORE: Bridged Ancient-Wisdom and Modern-Science, proving past Arena-Secrets are still powerful.

Kariko-the-mRNA-Architect

STAT: 2020s
mRNA Vaccines
COVID-19 response.

POWER: The Instructions-Beam. Seeds a Messenger-Scroll telling the wrestler's own cells how to build the shield.

LORE: Turned the body into a Vaccine-Factory, Hacked Protein-Translation to win the Pandemic-Brawl.

What the
FLUFF?!

What the

KayfaBIZARRO!
GW Georg v. Westphalen

Maimon-the-Balanced

STAT: 1135-1204
Physiciaa to Saladin
Holistic medicine.

POWER: The Soul-and-Body-Merge. Teaches that the Wrestler's-Mind must be healthy for the body to heal; diet over aggressive bleeding.

LORE: The bridge between Medieval-Theology and Rational-Clinical-Observation, treating the Whole-Human.

Hilde-the-Visionary

STAT: 1098-1179
Physics
Herbal medicine.

POWER: The Green-Pharmacy. Mape the Healing-Power of hundreds of plants and stones during a time of Spiritual-Daze.

LORE: Combined Nyctical-Vision with Practical-Botany, keeping the Flame-of-Knowledge alive in monasteries.

Albuca-the-Surgical-Father

STAT: 936-1013
Al-Zasrif
Invented catgut and 200+ tools.

POWER: The Tool-Maker. Invents the scalpel and forceps still used today, turning Barbaric-Cutting into precision surgery.

LORE: First to Stitch-the-Inside with dissolving Catgut, allowing for Deep-Arena-Repairs.

Fracas-the-Germ-Prophet

STAT: 1546
De Contagione
Predicted seeds of disease.

POWER: The Pomte-Finder. Predicts disease is carried by Invisible-Seeds on clothing and air long before microscopies.

LORE: The Prophet-of-the-Infection. Guessed the Match-Rules of contagion centuries early.

HUMBUG!

KayfaBOGGLE!

Flexner-the-Standard-Setter

STAT: 1910
The Flexner Report
Closed 50% of medical schools

POWER: The Rigor-Wall. Shuts down training arenas lacking Scientific-Manuals, creating the Modern-Doctor-Knights.
LORE: Standardized medical education, moving it into the University-and-Lab away from Apprentice-Guesswork.

Osler-the-Bedside-Teacher

STAT: 1849-1919
Father of Modern Medicine
Residents and Rounds

POWER: The Clinical-Closensss. Pulls Student-Rookies out of the lecture hall, forcing them to Listen-to-the-Patient.
LORE: He who studies without patients does not go to sea at all. The creator of modern clinical rounds.

WHO-the-Global-Ref

STAT: 1948
Eradication of Smallpox (1980)
ICD codes

POWER: The Arena-Orchestrator. Coordinates the Match-Plan for the entire world, fighting Pandemic-Monsters across borders.
LORS: The Global-Safety-Net. Ensures Health-Stats are tracked and Vaccine-Shields delivered globally.

Red-Cross-the-Neutral-Shield

STAT: 1863
Geneva Convention
Nobel Peace Prize

POWER: The Mercy-Sanctuary. A Neutral-Symbol protecting healers in the War-Arena, ensuring the wounded are always treated.
LORS: Proved humanity must exist even in combat chaos. Turned Medical-Mercy into Global-Law.

CRANKED-UP CARE

GW

Georg v. Westphalen

Laennec-the-Heart-Listener

STAT: 1816
Invention of the Stethoscope
First Cylinder-Tool

POWER: The Stetho-Inference. Uses a rolled paper tube to Hear-the-Valve-Clicks, inventing internal sound tracking.
LORE: Allowed us to hear the Internal-Soundtrack of the heart and lungs for the first time.

Einthov-the-Electric-Grapher

STAT: 1903
First EEG
String Galvanometer

POWER: The Rhythma-Writer. Records the Electrical-Signals of the heart-engine onto a Paper-Scroll.
LORE: 81st of Electrocardiography. Gave the Electrical-Ghost of the heart a physical body we could study.

Apgar-the-Newborn-Scorer

STAT: 1952
Apgar Score
Appearance, Pulse, Grimace,
Activity, Respiration

POWER: The First-Minute-Scan. A 5-point check to see if the Newborn-Rookie is ready for the arena or needs a jumpstart.
LORE: Transformed neonatal care. Ensured no baby wrestler was ignored in the critical first minutes of life.

Damad-the-Tumor-Seeker

STAT: 1977
First Full-body MRI
Indoalible

POWER: The Molecular-Scanner. Builds a Magnetic-Bunker to see if Cancer-Hunters have different water-signs than healthy cells.
LORE: The experiential pioneer who proved Nuclear Magnetic Resonance could find hidden monsters in the body.

Diagnosis?!

KayTaBIZARRO!

GW Georg v. Westphalen

Nuremberg-the-Code-of-Fire

STAT: 1947
Response to Nazi atrocities
Informed Consent.

POWER: The Research-Shield. Declares Human-Wrestlers must never be forced into a match and must give voluntary consent.
LORE: The ethical rebirth after the darkest Heel-Turn in history. Put the Human-Soul back into the science machine.

Beecher-the-Whistleblower

STAT: 1966
Ethics and Clinical Research
Exposed 22 unethical studies.

POWER: The Conscience-Call. Publishes a List-of-Shame, showing elite arenas breaking shields for Data-Tokens.
LORE: Forced the creation of IRB-Gatekeepers to ensure every match plan is checked for morality before it starts.

Tus-kegee-the-Shadow-Match

STAT: 1932-1972
40-year untreated syphilis study
The ultimate betrayal.

POWER: The Trust-Destroyer. A dark chapter where doctors hid the cure to watch wrestlers suffer, creating a permanent trust gap.
LORE: The tragic reminder that Science-without-Ethics is a monster. Directly led to the Belmont protections.

Belmont-the-Protector

STAT: 1979
Respect, Beneficence, Justice
The modern ethical tried.

POWER: The Triple-Shield. Sets final rules: respect the wrestler, do good, treat fairly.
LORE: The Universal-Armor of the human subject. The moral code guiding every research match in the modern world.

Doc FrizzleBob

STAT: Maeter of the Temporal Area / Custodian of the Scrolls

POWER: The Wisdom-Orchestrator

LORE: Respect the ancestors, but never stop dissecting the dogma! Stay fluffy!

Temporal Quest 1: The Dogma-Daze

Quest: A 13th-century wrestler has a fever. The Galsn-Manual demands Blood-Letting.

Combo Play: Use the Empirical-Method to demand Evidence before draining the wrestler! (Svidence vs. Blood-letting).

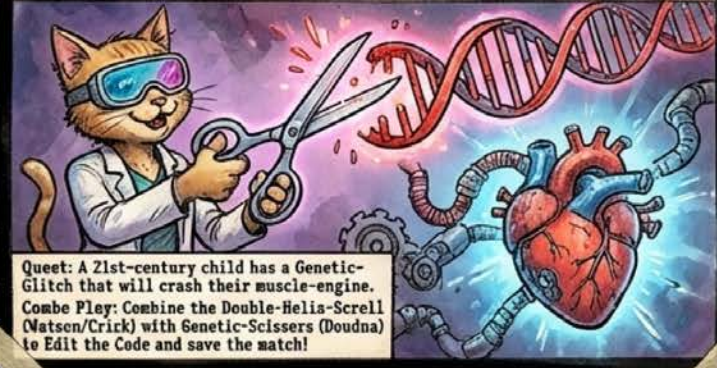

Temporal Quest 2: The Invisible-Invasion

Quest: 19th-century mothers are dying. Sewmweis screams about Dirty-Hands, but Referees mock him.

Combo Play: Combine Lister's Antiseptic-Hist with Pasteur's Gerw-Theory to prove the Referees wrong and win the arena!

Temporal Quest 3: The Source-Code-Repair

Quest: A 21st-century child has a Genetic-Glitch that will crash their muscle-engine.

Combo Play: Combine the Double-Helias-Screll (Natsen/Crick) with Genetic-Scissors (Doudna) to Edit the Code and save the match!
